Nazis Last Victims:

The Nazis' Last Victims Randolph L. Braham, 2002-05-01 The Nazis Last Victims articulates and historically scrutinizes both the uniqueness and the universality of the Holocaust in Hungary a topic often minimized in general works on the Holocaust The result of the 1994 conference at the United States Holocaust Memorial Museum on the fiftieth anniversary of the deportation of Hungarian Jewry this anthology examines the effects on Hungary as the last country to be invaded by the Germans The Nazis Last Victims questions what Hungarians knew of their impending fate and examines the heightened sense of tension and haunting drama in Hungary where the largest single killing process of the Holocaust period occurred in the shortest amount of time Through the combination of two vital components of history writing the analytical and the recollective The Nazis Last Victims probes the destruction of the last remnant of European Jewry in the Holocaust

Into

the Inferno: The Memoir of a Jewish Paratrooper behind Nazi Lines Yoel Palgi, 2019-08-16 In the spring of 1944 thirty two young Palestinian Jews parachuted into Nazi held Eastern Europe and the Balkans Their goal was to encourage Jewish resistance where possible and to organize rescue schemes thwarting deportations to the death camps Linking up in Yugoslavia and impelled by the hope that the Jews trapped in Hungary were still capable of fighting back some of the volunteers set out for Budapest Tragically they were betrayed by their local guides who turned out to be double agents also working for the Hungarian Fascists The volunteers reached Budapest where the young woman volunteer Hannah Szenes was executed and another deported to a death camp Into the Inferno is the remarkable first hand account of this mission by the only member of the group who miraculously survived from among those who penetrated into Hungary He endured imprisonment and torture both by the Gestapo and the Hungarian Fascists escaped from a deportation train and joined the Zionist youth rescue underground in Budapest In May 1944 Palgi was one of three Jews from Palestine who parachuted into Nazi held Yugoslavia and headed for Hungary His memoir is an incredible account of this daring mission by its only survivor Without a doubt a vivid chronicle of bravery and compassion George Cohen Booklist More than half a century has elapsed since Yoel Palgi's paratrooper operations in occupied Europe The world has appreciably changed since Yet there are events fragments of history whose significance time and place do not alter It seems that a special place in history is reserved for the story of this remarkable group of courageous Jews that did the impossible It is vital that this story be told Shimon Peres Deputy Prime Minister and Minister of Foreign Affairs Israel Palgi describes in riveting human terms an excruciatingly painful piece of Israeli and world history and does so with extraordinary psychological and ethical insight Robert J Lifton author of The Nazi Doctors Medical Killing and the Psychology of Genocide This gripping account of a desperate rescue mission goes beyond conveying the horror of the Holocaust and the brutality of the Nazis The rescuers worked within an ambiguity where every alliance was questionable and noble decisions could prove fatal This is the illuminating story of a thoughtful man driven by history to courageous improvisation and ethical struggle acting and remembering in spite of

uncertainty Mary Catherine Bateson author of Full Circles Overlapping Lives Yoel Palgi's story is one of heroism inner conflict and questioning His readiness to go behind the Nazi lines to rescue the Jews of Hungary reflected his extraordinary courage He paints a vivid picture of the danger of his effort both behind enemy lines and the emotional scars that were left after the war This is a must read for any student of the Holocaust Dennis Ross Director Washington Institute for Near East Policy

The Writers, Artists, Singers, and Musicians of the National Hungarian Jewish Cultural Association (OMIKE), 1939-1944 Frederick Bondy, 2016-12-15 In May 1938 Hungary passed anti-Semitic laws causing hundreds of Jewish artists to lose their jobs In response Budapest's Jewish community leaders organized an Artistic Enterprise under the aegis of OMIKE Országos Magyar Izraelita Kézművelődési Egyesület Hungarian Jewish Education Association to provide employment and livelihood for actors singers musicians conductors composers writers playwrights painters graphic artists and sculptors Between 1939 and 1944 activities were centered in Goldmark Hall beside the Dohány Street Synagogue in Budapest Hundreds of artists from all over Hungary took part in about one thousand performances including plays concerts cabaret ballet operas and operettas These performances appealed to the highly cultured Budapest Jewish community ever desirous of high caliber events particularly under oppressive conditions of the time Art exhibitions also were held for painters graphic artists and sculptors to sell their creations László Vai's 1943 book with new additional chapters by noted historians and musicians is the core of this expanded edition and provides interviews with individual artists who recall their early lives and circumstances that led them to join the Artistic Enterprise The book records the technical functioning structure and operation of this remarkable theater and concert venue It provides fascinating details about those who worked behind the scenes: prop masters hair stylists and personnel involved with costumes lighting and scenery Because the stage was small clever choreographic and scenery improvisation had to be made and the stagehands were clearly up to the task Since these artists were not allowed to perform before the general public or advertise with posters on the streets the book describes special means devised to overcome these difficulties and bring Jewish audiences into the theater in large numbers Lastly the book carries the theater's story up to Sunday morning March 19 1944 a day of infamy when the German army marched into Hungary

The Struggle for Understanding Victoria Nesfield, Philip Smith, 2019-08-01 An in depth look at Elie Wiesel's writings from his earliest works to his final novels Elie Wiesel 1928-2016 was one of the most important literary voices to emerge from the Holocaust The Nazis took the lives of most of his family destroyed the community in which he was raised and subjected him to ghettoization imprisonment in Auschwitz and Buchenwald and a death march It is remarkable not only that Wiesel survived and found a way to write about his experiences but that he did so with elegance and profundity His novels grapple with questions of tradition memory trauma madness atrocity and faith The Struggle for Understanding examines Wiesel's literary religious and cultural roots and the indelible impact of the Holocaust on his storytelling Grouped in sections on Hasidic origins the role of the Other theology and tradition and later works the chapters cover the entire span

of Wiesel's career Books analyzed include the novels Dawn The Forgotten The Gates of the Forest The Town Beyond the Wall The Testament The Time of the Uprooted The Sonderberg Case and Hostage as well as his memoir Night What emerges is a portrait of Wiesel's work in its full literary richness This is a marvelous collection The essays are written by a new generation of scholars who have probed Elie Wiesel's work deeply and used the manifest tools of their many disciplines to explore some of the most pressing questions relating to the Holocaust to memory and to Wiesel himself I was deeply impressed Michael Berenbaum American Jewish University

Annihilation Mark Levene, 2013-12-19 From the years leading up to the First World War to the aftermath of the Second Europe experienced an era of genocide As well as the Holocaust this period also witnessed the Armenian genocide in 1915 mass killings in Bolshevik and Stalinist Russia and a host of further ethnic cleansing in Anatolia the Balkans and Eastern Europe Crisis of Genocide seeks to integrate these genocidal events into a single coherent history Over two volumes Mark Levene demonstrates how the relationship between geography nation and power came to play a key role in the emergence of genocide in a collapsed or collapsing European imperial zone the Rimlands and how the continuing geopolitical contest for control of these Eastern European or near European regions destabilised relationships between diverse and multifaceted ethnic communities who traditionally had lived side by side An emergent pattern of toxicity can also be seen in the struggles for regional dominance as pursued by post imperial states nation states and would be states Volume II Annihilation covers the period from 1939 to 1953 particularly focussing on the Second World War and its aftermath the Holocaust and its lasting impact and the latter part of the Stalinist regime Levene demonstrates that while the attempted Nazi mass murder of the entirety of European Jewry represents the most

thoroughgoing and extreme consequence of efforts aimed at political and social reformulation of the Rimlands arena in particular the accumulation and concentration of genocidal violence against many minority groups would suggest that anti-Semitism or racism alone is insufficient to provide a comprehensive explanation for genocide
