*The Day I Married Roger* Eileen Sheehan, 2025-12-30 *The Day I Married Roger* by Eileen Sheehan Marriage was supposed to be her happily ever after Instead it became her nightmare When Sally weds the enigmatic Roger she believes she's found safety and love But the day she marries him marks the beginning of a descent into a world of dark magic hidden rooms and unspeakable horrors Trapped inside a decaying mansion haunted by revenants witches and secrets that refuse to stay buried she must confront the terrifying truth about her husband and the world that she's entered As the line between the living and the dead dissolves survival demands courage sacrifice and a reckoning with evil that began when she said I do *The Day I Married Roger* by Eileen Sheehan is a chilling horror thriller about love control and the cost of binding yourself to the wrong soul What a reviewer from Reader's Favorite had to say *The Day I Married Roger* by Eileen Sheehan is a dark and intriguing read The writing was descriptive and I could feel the dark and supernatural beings in the mansion I was hooked from the start and at times the hair on my arms was raised The plot held me captive and I had a hard time putting the book down The suspense kept me on the edge of my seat turning the pages as fast as I could I did not want to miss a thing The characters were realistic and relatable I felt empathy for Sally who went into this marriage bright eyed but was let down in the worst way imaginable The book was skillfully written and every event felt as if I was there in person This is a kind of book that lingers with you I enjoyed reading it Reviewed by Anne Marie Reynolds for Readers Favorite *The Day I Married Roger* by Eileen Sheehan is a chilling tale that will send shivers down your spine Don't expect a fast paced read this is a slow burning story that builds in suspense and tension gradually drawing you in and leading you to a horrifying finale The characters are developed into likable people and the descriptive style of writing makes you feel like you are in the story living it alongside each character This is a compelling tale a little graphic at times but nothing that doesn't fit the plot It's a slightly different take on the genre centering on themes of control love and the wrong kind of marriage If you like a good part supernatural part horror story with plenty of suspense and twists you'll enjoy this one

*Mila (Book One)* Eileen Sheehan, 2025-04-22 *The*

land of Doln is a realm of wonders where magic weaves through the air and ancient secrets lie hidden beneath the whispering trees Between the thriving kingdoms of Terrell and Smolic Doln flourishes It is a paradise of glistening rivers towering forests and creatures long thought to exist only in legend But none are more coveted more powerful or more magical than the unicorns For centuries Doln's rulers have upheld a dangerous lie that unicorns are extinct The creature's survival depends on secrecy for their horns hold power beyond imagination It is a power that could heal the gravely wounded prolong life or protect the world from darkness Should the greedy learn that they had not been hunted to extinction they would stop at nothing to claim the unicorns magic for themselves Princess Mila has known the truth since childhood Astra a unicorn with a mane of molten starlight and eyes that gleam with the wisdom of ages has been her beloved friend for as long as she can remember Their bond is unbreakable But when situations threaten to separate her from her unicorns Mila must

choose to find a way to continue to protect the creatures she loves or risk defying her father and possibly throwing the kingdom into the shadows of war As darkness looms and ancient powers stir Mila will discover that her fate is intertwined not just with the unicorns but with an evil that will force her to come into her own Perfect for fans of lyrical fantasy deep lore and enchanting friendships Mila is an unforgettable tale of courage magic and the choices that shape a kingdom From Readers Favorite 5 star award by Christian Sia Eileen Sheehan's book reminded me of some of the compelling elements in J K Rowling's Harry Potter series She has combined the awe inspiring magic of the Harry Potter world with the dazzling beauty of the physical landscapes of The Lord of the Rings delighting fans of the genre with exciting imagery and an irresistible world The characterization is stellar and I was particularly intrigued by Mila exploring her inner world and her bond with Astra The impeccable worldbuilding plunges you into a world of magic and mystery At the same time the skillfully crafted premonitions create the suspense that keeps you turning the pages I greatly enjoyed Mila from the exquisite writing to the fully drawn characters and plot propelling conflict and I look forward to the next book in the series From Readers Favorite 5 Star award By K C Finn Author Eileen Sheehan knows how to pack magic into every tiny detail and new surprise of this story that captures the imagination and the heart from the very first page The best way to describe this novel is wide eyed wonder as readers follow Mila with that same expression of enthusiastic discovery She's certainly a courageous heroine you'll root for all the way through Sheehan does a great job with dialogue and close personal narration to let us into Mila's struggles so that we sympathize with her plight but there's also a lot of love laughter and joy It's refreshing to read a fantasy that is so full of happy moments despite the magic and danger occurring and fans of unicorn lore and epic fantasy will find Mila utterly enchanting Some quite powerful themes build subtly and come through very strongly at the end at its heart there is a thoughtful and lyrical story about loyalty legacy and the cost of truth in a magical world Overall I would certainly recommend Mila to fans of brilliantly penned fantasy fiction

*The Difference Between Us* Eileen Sheehan, 2025-10-31 In the shadowed streets of a city that never truly sleeps Evelyn Sparks hides a secret as dark as the bodies she examines She's the borough coroner cool meticulous and unshakably composed But she's also what the world believes to be a myth a vampire surviving discreetly off the blood that passes through her morgue It's a perfect arrangement until someone starts stealing her supply Detective Johnathan Hale has seen it all or so he thinks Hardened by years of chasing killers through alleys and lies he's called to investigate a string of gruesome crimes that make no sense bodies drained of blood before they reach the coroner's slab When he meets Evelyn something about her unnerves him though he can't say why Their partnership crackles with tension curiosity and an undeniable pull neither can explain But the trail leads them somewhere darker than either expected a rogue vampire with no regard for secrecy and a witch whose magic threatens to unbind the fragile veil between the living and the dead As Evelyn and Johnathan fight to uncover the truth old wounds resurface forbidden desires ignite and the line between hunter and hunted begins to blur In a world where blood ties mean everything

love may be the most dangerous mystery of all Here's What a 5 star award review said about it Reviewed by Olga Markova for Readers Favorite The Difference Between Us by award winning author Eileen Sheehan is an engrossing blend of crime mystery paranormal fiction and romance Homicide Detective Johnathan Hale is investigating a mystery someone in the city is draining blood from recently deceased persons The only thing in common between these corpses is that they are bloodless At a crime scene Johnathan meets Coroner Evelyn Spark and before long they fall in love But unknown to Johnathan Evelyn is also investigating by stealth the mystery of bloodless corpses She is a vampire feeding on the blood of the recently deceased and a thief is stealing her food The head of the Vampire Council has mandated her to find the culprit But will Johnathan and Evelyn find the perpetrator And what lies ahead for their romance The Difference Between Us is a shining example of Eileen Sheehan's understanding of the entertainment value of novels to be enjoyed over one or two evenings Spellbound I read this immersive fast moving suspenseful and twisty mystery in two sittings I instantly took to Evelyn and Johnathan and thoroughly enjoyed their investigations The human vampire romantic scenes added suspense to the storyline and the humour offered a respite from the plot's tensions I also enjoyed the spectacular magical combat sophisticated witchcraft and the history of vampires and witches But most of all I appreciated the thought provoking manifestations of the sibling bond and the pitfalls and advantages of truths over lies I highly recommend this fascinating story to mature fans of crime mysteries and paranormal romance

Behind The Door Eileen Sheehan, 2025-12-15 When Seth and Yarna stumble upon a once majestic centuries old mansion sold for a fraction of its worth they seize the opportunity to claim their dream home But their good fortune unravels the moment the doorbell rings Standing on the doorstep is the rightful heir long presumed dead demanding the return of the estate What begins as an unnerving encounter spirals into a nightmare as Seth and Yarna discover the truth every generation of the mansion's twisted bloodline carved new passages concealed new chambers and hid unspeakable secrets within its walls The deeper the couple probes into the labyrinth beneath their floors the more they awaken the ancient horrors that still linger there watching waiting hungry Caught between an heir with impossible ties to the past and a house that seems intent on revealing its darkest appetites Seth and Yarna must uncover the truth behind the door before it opens for them Drenched in suspense gothic atmosphere and pulse pounding revelations Behind the Door by Eileen Sheehan is a haunting tale of legacy deception and the immortal terror that thrives in the shadows you're never meant to see What a 5 star review from Reader's Favorite had to say Behind the Door is a riveting mystery novel that blends supernatural and psychological elements The secluded mansion makes the turn of events feel even more tense and immersive Sheehan's captivating writing style keeps the momentum going while gradually increasing the pressure Seth depends on facts and technology while Yarna is more sensitive and creative Yet their different reactions and experiences add intrigue pulling readers further into the story The book explores themes of ownership ominous secrets and how the past can interfere with the present It reminds me of haunted house stories where the building itself has a life of its own Fans of slow eerie suspense
