War in the Modern World Theodore

Ropp, 2021-11-03 A brilliant survey of the history of warfare the best yet produced anywhere B H Liddell Hart Outstanding and penetrating outline of the processes of war and the means of fighting from 1415 onward skillfully and carefully written includes one of the most comprehensive bibliographies of the history of war E B Long Chicago Tribune A substantial and scholarly history of modern warfare from the age of the great captains through the innovations of the industrial revolution to our age of unlimited violence Henry L Roberts Foreign Affairs Leaves the reader astonished by its combinations of brevity clarity and accuracy Times Literary Supplement Theodore Ropp s thoughtful and well documented study of wars of Western civilization from 1415 to the present is most welcome because of its comprehensiveness His book has the added attraction of readability so it is to be hoped that it will inform and influence not only the professional soldier but also the intelligent layman Dr Ropp has been eminently successful in emphasizing the most essential lessons for today We see policy and grand strategy cooperate or fall apart in military activities from planning recruiting and training to strategy and tactics throughout we are unobtrusively shown the disastrous consequences of failure to coordinate policy and strategy Donald Armstrong Military Affairs Dr Ropp has written a brilliant survey of the history of warfare in modern times It is useful to the military man because it surveys concisely yet adequately modern concepts of war it is equally helpful to the advocate of peace because it portrays the factors and the beliefs he must overcome if war is to be removed from the world a concise yet meticulously organized and accurate account of the place of war in modern society Ropp has produced an invaluable insight into military thinking of the modern world Elden Billings World Affairs A short and vivid summary of warfare as waged in modern time Ropp s book is a reminder that the history of warfare includes the raw materials with which the political economic diplomatic or social historian also works Ropp preserves timeless lessons for us along with his evidence that warfare did much to disrupt and change the life of man in the past three hundred years The historian cannot ignore the ways and means by which nations enforced these changes if he is to give the whole picture of the past Forrest C Pogue The American Historical Review A scholarly thoughtful and well written survey of the evolution of warfare from the age of the captains to the age of violence The main stress is on the wars of the 20th century and on the effect of political social and economic circumstances on the theory and practice of the military profession C P Snow Scientific American Theodore Ropp s

volume is principally a history of the political and social implications of warfare from the Renaissance to the present But it is much more than that It adequately summarizes the battles and campaigns that form the stuff of conventional military history it analyzes the principal military theorists from Machiavelli to Clausewitz and Mahan and it discusses the complex problem of military organization and the intricate relationships between military institutions and the governments they serve Moreover the analysis of American and European political economic and social history is as sound as the discussion of the technical issues of strategy and tactics a remarkable volume which in addition contains one of the finest working bibliographies of military history that has ever been put into print Richard D Challener The American Scholar It requires courage to undertake to survey the history of warfare through the past five centuries in less than 400 pages Professor Ropp has done a remarkable job of just that in this unique volume outstanding is the manner in which the Bibliography is presented It is developed by means of Footnotes to the text so that the reader has the applicable reference before him as he reads The compilation of the Bibliography alone is a monumental piece of work This volume is much more than an introductory textbook to military history it is a reference work of real worth Bern Anderson The Annals of the American Academy of Political and Social Science War in the Modern World is a valuable book It will be very useful in military history courses And Professor Ropp s excellent bibliographical notes are the most thorough and up to date guide to recent work in military history which is presently available they are indeed beyond praise These and its other virtues will make this a standard work in its field useful alike to the beginner and the professor of military history William R Emerson The Mississippi Valley Historical Review A distinguished one volume history of military affairs spanning the past five centuries It is superbly annotated and brilliantly balanced in its interpretation the basic contribution of War in the Modern World is found in its central thesis political technological and organizational features of warfare in history are indivisible Professor Ropp s contribution comes as close as any volume will to filling the crucial need for a balanced single volume on military history broadly considered Eugene M Emme Technology and Culture War in the Modern World is far and away the best of the histories of military affairs a remarkably fine piece of work Professor Ropp has made a great contribution to an understanding of the phenomenon of war Edward L Katzenbach Jr The American Political Science Review Surpasses any other general history of the subject Library Journal The narrative flows easily is illuminated by flashes of colorful detail and relates the development of warfare to the political technological and economic changes of the modern era Especially stimulating and helpful is Mr Ropp s system of bibliographic footnotes These are found on almost every page directing the reader to a well selected choice of historical and military writings which will provide more light and wider vistas whenever his interest is further stirred by what he is reading This reviewer has never seen anything quite as calculated to guide the beginner in further exploration of the subject or to serve as a quick reference index for the experienced analyst New York Herald Tribune **Jane's Gem Modern Tanks** Christopher F. Foss, 1999-09-22 Collins Jane s Modern Tanks is a compact guide to over 100 modern combat vehicles

including the most recent US Russian and British tanks drawing on information from the ultimate military authority Jane's Information Group There is also a special section on modern tank warfare **The Water Supply, Sewerage and Plumbing of Modern City Buildings** William Paul Gerhard,1909 modern seamanship austin m. knight ,1921

FAQs About Modern Tanks Books

What is a Modern Tanks PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern Tanks PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern Tanks PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern Tanks PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern Tanks PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
