The American Short-horn Herd Book Lewis Falley Allen, William T. Bailey, 1909 **INDIAN POLITICAL THOUGHT**
PADHY, K. S., 2011-07-30 Intended as a text for the undergraduate and postgraduate students of Political Science this compact book brings to fore the political thought of various Indian thinkers over the decades. The book begins with a detailed discussion on the political thought of Manu the lawgiver whose classification of the different castes and their duties is highlighted. Then it goes on to give a comprehensive account of such thinkers as Kautilya the author of Arthashastra who talks about the four stages of life and the duties of the King. Raja Ram Mohan Roy the religious reformer, Swami Dayananda Saraswati the Hindu reformer and advocate of the Vedas who criticized untouchability and discrimination of women and who set up the Arya Samaj. Besides the book deals in detail with such thinkers as Swami Vivekananda, Bal Gangadhar Tilak, Gopal Krishna Gokhale and Shri Aurobindo. Further the book analyzes the political thought of the great Indian leaders such as Mahatma Gandhi the Father of the Nation whose ideas of Satyagraha, Ahimsa, Non Violence, Swadeshi and Swaraj are too well known and who galvanized a whole nation in achieving Independence. Jawaharlal Nehru the Architect of Modern India and the first Indian Prime Minister whose ideas on socialism, democracy, planning and foreign policy have guided the nation. The indefatigable JP Jaya Prakash Narayan the pioneer of socialist movement and Bhimrao Ambedkar the Architect of the Indian Constitution the great social reformer who championed the cause of the scheduled castes, the underprivileged and the marginalized sections of the society. Finally the book makes an analysis of ideas of other thinkers namely Sir Sayyed Ahmed Khan a great advocate of communal harmony, Muhammad Ali Jinnah an advocate of theocracy, Lala Lajpat Rai the Lion of Punjab and the propounder of Swaraj, Ram Manohar Lohia a powerful exponent of socialism, Vinayak Damodar Savarkar an opponent of absolute non violence and Mahatma Jyotirao Govindrao Phule a great social reformer. This text which compresses the political thought of the great Indian thinkers and leaders will benefit not only undergraduate and postgraduate students but also aspirants of civil services and any one who wishes to delve deeper into the subject.

This volume includes papers given at both events and provides substantial assessments by leading scholars of issues of source criticism of the large corpus of Old English literature associated with Alfred and of developments in government and society in late ninth century England. It also explores how Alfred and his kingdom related to the wider geo-political and cultural situation in the British Isles and continental Europe and

closes with a substantial survey of the uses and shifts in Alfred's reputation in the centuries following his death. This substantial and wide ranging volume will become a standard reference work for anyone interested in Old English literature or Anglo Saxon history and will set the pattern of future scholarly debate ***Shakespeare's Speculative Art*** M.

Hunt, 2011-07-14 This is the first book length analysis of Shakespeare's depiction of specula mirrors to reveal the literal and allegorical functions of mirrors in the playwright's art and thought. Adding a new dimension to the plays Troilus and Cressida, Julius Caesar, Macbeth, Hamlet, King Henry the Fifth, Love's Labor's Lost, A Midsummer Night's Dream, and All's Well That Ends Well. Maurice A. Hunt also references mirrors in a wide range of external sources from the Bible to demonic practices. Looking at the concept of speculation through its multiple meanings cognitive, philosophical, hypothetical and provisional this original reading suggests Shakespeare as a craftsman so prescient and careful in his art that he was able to criticize the queen and a former patron with such impunity that he could still live as a gentleman **SAUL, SOLOMON, AND ASA, THE KINGS WHO DISAPPOINTED GOD** GODSWORD GODSWILL ONU,

The Touchstone of Fortune

Charles Major, 2022-09-16 In *The Touchstone of Fortune* Charles Major weaves a captivating tale that explores the complex interplay of fate and personal agency through the lives of its richly drawn characters. Set against the backdrop of a transitioning America, the narrative employs a vivid yet accessible literary style blending realism with elements of romanticism. Major's nuanced prose invites readers to ponder the nature of luck and destiny as the characters navigate their journeys through societal expectations and personal ambitions, revealing how seemingly trivial choices lead to momentous outcomes. The book's thematic depth and its exploration of psychological intricacies echo the literary trends of the late 19th century while remaining relatable to contemporary audiences. Charles Major, a prominent figure in the early 20th century American literary scene, often reflected his own life's complexities within his work. A lawyer by training, Major's interest in storytelling emerged from his engagement with the human condition and moral dilemmas. His experiences traveling across the United States and observing diverse lifestyles and values undoubtedly informed the multifaceted characters and compelling narrative structures found in *The Touchstone of Fortune*. This book is a must-read for those who appreciate literary works that delve into the philosophical nuances of existence. With its intricate narrative and moral inquiries, Major's work challenges readers to contemplate their own beliefs about fortune and free will. Readers drawn to rich storytelling and profound reflections on life will find a rewarding experience in this timeless literary masterpiece.
