## Modigliani Postcard:

**Amedeo Modigliani** Amedeo Modigliani, Jacques Lipchitz, Alfred Werner, 1969     Dig David Nichols, 2016-10-11 David Nichols tells the story of Australian rock and pop music from 1960 to 1985 formative years in which the nation cast off its colonial cultural shackles and took on the world Generously illustrated and scrupulously researched Dig combines scholarly accuracy with populist flair Nichols is an unfailingly witty and engaging guide surveying the fertile and varied landscape of Australian popular music in seven broad historical chapters interspersed with shorter chapters on some of the more significant figures of each period The result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the United States and the UK yet has always retained a strong sense of its own identity and continues to deliver new stars and cult heroes to a worldwide audience Dig is a unique achievement The few general histories to date have been highlight reels heavy on illustration and short on detail And while there have been many excellent books on individual artists scenes and periods and a couple of first rate encyclopedias there's never been a book that told the whole story of the irresistible growth and sweep of a national music culture Until now     Diary of a Film Niven Govinden, 2022-06-28 In this highly lauded novel a filmmaker meets a woman named Cosima at an Italian espresso bar spinning a gorgeous tale of love and the creative process An auteur together with his lead actors is at a prestigious European festival to premiere his latest film Alone one morning at a backstreet caf he strikes up a conversation with a local woman who takes him on a walk to uncover the city's secrets historic and personal As the walk unwinds a story of love and tragedy emerges and he begins to see the chance meeting as fate He is entranced wholly clear in his mind her story must surely form the basis for his next film This is a novel about cinema flâneurs and queer love it is about the sometimes troubled sometimes ecstatic creative process and the toll it takes on its makers But it is also a novel about stories and the persistent question of who has the right to tell them     Isabella's Not Dead Beth Morrey, 2025-08-26 A hilarious and thought provoking murder mystery about the death of a friendship and one woman's quest to track down the best friend who disappeared for fans of Where'd You Go Bernadette Isabella's NOT dead That's what Gwen tells anyone who asks about the friend who ghosted them all fifteen years ago But if Isabella's not dead then where is she And why did she leave just when Gwen needed her most Freshly fifty three out of a job and with children who are starting to fly the nest Gwen decides to turn detective Setting out to solve the mystery Gwen embarks on an adventure across England then across Europe that will test her marriage and put her on a collision course with reluctant acquaintances a mother in law best described as eccentric and a rabbit hole full of clues But Isabella's not the only one who's lost A tale of deep frayed friendship fractured memories and skewed perspectives Isabella's Not Dead is the story of one woman's quest to reclaim her best friend and herself     European and American Paintings and Sculptures 1870-1970 in the Australian National Gallery National Gallery of Australia, Australian National Gallery, Michael Lloyd, Michael Desmond, 1992 Catalogue of 154 European and American paintings and sculptures from 1870 to 1970 in the Australian
