## **Mollys Hero:**

Molly's Hero Susan Amarillas,2017-01-21 OUT WEST HE D FOUND A LIFE AND A WIFE Unfortunately Molly Murphy was married to another man a man who d abandoned her at the first sign of trouble Still the real and aching need to have her at his side made railroad entrepreneur Ethan Wilder realize what had been missing from his days and his nights Though just a scrubby patch of land it was home to Molly Murphy and she d be damned if she d lose it to a railroad Especially one owned by Ethan Wilder For this sable eyed cowboy with a Stetsonful of dreams made her yearn for bold forbidden impossible things

**Canadian Shorthorn Herd Book** Canadian Shorthorn Association,1900      **The ^AFrontier Club** Christine Bold,2013-01-03 The Frontier Club delves into institutional archives and personal papers to excavate the hidden social political and financial interests in the making of the modern western      McClure's Magazine ,1895      Constabulary Hereward Senior,1997-01-01 The insular character of Britain delayed the creation of professional police until the 19th century This volume traces the course of British amateur policing until that time at which point it deals with the foundation of the London Metropolitan Police and efforts to create similar professional urban institutions in New York and Montreal Due attention is also given to the fact that very different conditions in rural Ireland necessitated the creation of a para military type of force which in turn served as the model for police in the countryside throughout the Empire The nature of these derivative organizations and the way they were able to serve the needs of such varied societies as India Australia South Africa and Canada are examined The several alternatives to Irish style police which were attempted in the United States Texas Rangers private detective agencies sheriffs marshalls and vigilante committees are also considered The point of this work is to present a comparative study of law enforcement agencies with a Common Law tradition working in otherwise considerably different countries      Molly's Hero pseud FAIRFAX,1940      **Owen Wister and the West** Gary Scharnhorst,2015-03-16 Westerns are rarely only about the West From the works of James Fenimore Cooper to Gary Cooper stories set in the American West have served as vehicles for topical commentary More than any other pioneer of the genre Owen Wister turned the Western into a form of social and political critique touching on such issues as race the environment women s rights and immigration In Owen Wister and the West a biographical literary account of Wister s life and writings Gary Scharnhorst shows how the West shaped Wister s career and ideas even as he lived and worked in the East The Virginian Wister s claim to literary fame was published in 1902 but his writing career actually began in 1891 and continued for twenty five years after the publication of his masterpiece Scharnhorst traces Wister s western connections up to and through the publication of The Virginian and shows that the author remained deeply connected to the American West until his death in 1938 Like his Harvard friend Theodore Roosevelt Wister was the sickly scion of an eastern family who recuperated in the West before returning to his home and inherited social position His life story is punctuated with appearances by such contemporaries as Frederic Remington Rudyard Kipling and Ernest Hemingway Scharnhorst thoroughly

discusses Wister's experiences in the West including a detailed chronology of his travels and the writings that grew out of them. He offers numerous insights into Wister's adroit use of sources and provides revealing comparisons between Wister's western works and the writings of other authors treating the same region. The West Scharnhorst shows was the crucible in which Wister tested and expressed his political opinions, most of them startlingly conservative by present standards. Yet The Virginian remains the template for the western novel today. More than any other Western writer of the past century and a half, Wister's career merits resurrection. **The Canadian National Record for Swine**, 1914 Hero Tales of Our Navy, Pike & Cutlass, 1925 *American Cleveland Bay Stud Book*, 1907 Idling the Engine E. Joseph Sharkey, 2006. Author E. Joseph Sharkey uses the philosophies of language of Hans Georg Gadamer and Ludwig Wittgenstein to counter the skepticism in question by showing that a language grounded in history instead of the transcendent is grounded nevertheless.

**The Nassau Literary Magazine**, 1940 **Army and Navy Journal**, 1925 **Queensland Agricultural Journal**, 1935 **The Clydesdale Stud Book of Canada** Clydesdale Horse Association of Canada, 1917 **The Canadian Shorthorn Herd Book** Canadian Shorthorn Association, 1936 **The Poems of Shelley: Volume Three** Jack Donovan, Cian Duffy, Kelvin Everest, Michael Rossington, 2014-05-22. Percy Bysshe Shelley 1792-1822 was one of the major Romantic poets and wrote what is critically recognised as some of the finest lyric poetry in the English language. This is the third volume of the five-volume *The Poems of Shelley* which presents all of Shelley's poems in chronological order and with full annotation. Date and circumstances of composition are provided for each poem and all manuscript and printed sources relevant to establishing an authoritative text are freshly examined and assessed. Headnotes and footnotes furnish the personal literary, historical, and scientific information necessary to an informed reading of Shelley's varied and allusive verse. Most of the poems in the present volume were composed between autumn 1819 and autumn 1820. The poems written in response to the political crisis in England following the Peterloo massacre in August 1819 feature largely among them: *The Mask of Anarchy* and *An Ode Arise, arise, arise*. The popular songs which Shelley intended to gather into a volume to inspire reformers from the labouring classes, several accompanied by significantly new textual material recovered from draft manuscripts, are included, as are the important political works *Ode to Liberty*, *Ode to Naples*, and *Oedipus Tyrannus*. Shelley's burlesque Greek tragedy on the Queen Caroline affair, *Other major poems featured include* *The Sensitive Plant*, *Ode to the West Wind*, *Letter to Maria Gisborne*, an exuberant translation from the ancient Greek of the Homeric Hymn to Mercury, and the brilliantly inventive *The Witch of Atlas*. In addition to accompanying commentaries, there are extensive bibliographies, a chronology of Shelley's life, and indexes to titles and first lines. Leigh Hunt's informative Preface of 1832 to *The Mask of Anarchy* is also included as an Appendix. The volumes of *The Poems of Shelley* form the most comprehensive edition of Shelley's poetry available to students and scholars. *Lloyd's List*, 1969 **1894**, 1894 **Wallace's Year-book of Trotting and Pacing in ...** John Hankins Wallace, 1890.
