Mom Pie:

Mom 'N' Pop's Apple Pie 1950s Cookbook Barbara Stuart Peterson,2004-04 In this book we return to those wonderful days of bean salad baked beans and green bean casseroles We have selected recipes that recapture a spirit of simplicity and wholesomeness These recipes were chosen with an eye to the recipes that mom inherited from grandma ones she developed herself and ones which capture the spirit of those times In most cases these are oven or stove top meals although in some cases microwave instructions have also been included where they are appropriate *What Ever Happened to Mom's Apple Pie?* John Keats,1976 For The Love of Money Augusta,2024-05-16 This story is about the life of a mother and grandmother cut short due to the greed of her youngest daughter Hagatha Hagatha used lies and manipulation to overtake her mother s estate and capture her freedom until she had absolute power The family tried desperately to bring their mama back to her home But their attempts were futile Their mother passed away from heartbreak and despair at an untimely age Hagatha continued to undermine her mother in the distribution of her estate Little did she know that her own world would be turned upside down when tragedy comes knocking at her front door several years later **Shit You Need to Know That Nobody Bothered to Tell You** Clark Merrill,2022-09-20 We all make mistakes We can identify missed opportunities gaps of knowledge and common sense that if we had it would have saved us tons of grief and time Clark had the same experience He learned the hard way We all know that while the hard way is not a bad way to learn life s lessons it can be extremely frustrating Since he was 10 years old Clark learned a lot of answers that we all seek certainly not all and after many hours talking with his niece Katelyn answering her questions and helping her avoid many of life s pitfalls Clark realized that it was time to pay it forward and maybe keep others from having to learn everything the hard way like most of us do Clark wrote this book for his niece Katelyn her friends and anyone else looking for some of those answers With humor mixed with great advice let Clark be your mentor for all stages of life Dating You are who you are They are who they are Period Weddings It s About the Guests Stupid Funerals Be There For Your Friends First Other Annoying Life Events What to Say and What to Avoid In Laws Problems What Problems Neighbors The 30 Year Rule General Relationship Advice There is Power in Letting Go from Time to Time Money Ask Questions and Be Humble Career Never Work Again General Life Advice Tell your own story Open your world to others As you go through life remember that you are the only one that controls what you are thinking Own that and you will own the world **Southern Delight** Dee,2010-02 I created this book with family in mind This book have the essence of the Southern food I grew up with and the taste of flavor passed on Many meals shared with friends family I hope it will help college students newlyweds young people in general and many that do not have the experience of cooking good food It should give them comfort of home They will be able to pass it down from generation to generation The pictures are the scenes of growing up with good food and fun times *Mom's Big Book of Baking* Lauren Chattman,2001 200 recipes tailor made for today s extremely busy mom *Seasons at Lakeside Dairy* Lizzetta

LeFalle-Collins, 2024-07-30 Opened in 1907 in Shreveport Louisiana by Lizzetta LeFalle Collins's grandfather Black dairy farmer Angus Bates Lakeside Dairy was a rarity in the post Reconstruction South The dairy thrived despite the time's challenging racially oppressive and hostile social and political climate While Lakeside Dairy closed in 1943 Angus's life and work legacy echoed through the Bates family for generations LeFalle Collins structures her narrative around familial creative storytelling heard as a child supported by family ephemera about the dairy and the family's social and community engagement These documents directed her historical research as *Seasons at Lakeside Dairy* tracks life on the farm through the year showing how the family worked lived and cooked and how they made a sustainable living in a climate of pervasive racism Survival in the farming community was mainly due to the influence of George Washington Carver who disseminated innovative recommendations for farmers and Booker T Washington who advocated for Black entrepreneurs to remain and rebuild the South to make it their own Angus Bates passed in 1935 and his spouse Carrie D Bates who had always been the dairy's partner and financial manager rebranded the dairy in her name with her sons until closing Realizing Shreveport held few opportunities for her children she encouraged them to move west a migratory route followed by many Black Louisianans Family members' voices are interwoven into each chapter with direct quotations creative storytelling historical contexts ephemera and healthier recipes based on family favorites *Seasons at Lakeside Dairy* offers unique insight into their persistence sustainability self-sufficiency and joy Migration tales also open a window into the complex history of race and identity continuing as they became homeowners in the West
