## **Momentum Chasing The Olympic Dream:**

Momentum Peter Vordenberg,2002-01-01 Momentum Chasing the Olympic Dream is a memoir that people are calling the best ever look into ski culture Pete Vordenberg is already a favorite writer in the XC ski magazine scene Here he pulls out all the stops and opens skiing to all of life in a way we haven t seen before Vordenberg is a two time Olympian NCAA Champ and a current US Team Coach on a team which has not coincidentally become the winningest team we ve seen in decades

Momentum is about spirit and camaraderie If you re tired of sports ego mania and doping scandals the big little world of American XC ski racing offers a breath of cold fresh air Momentum is a non linear voyage traveling the world crossing from childhood to the edge of adulthood It shares the quixotic humor excitement and poignancy inherent in the pursuit of something as unlikely as an American gold medal in XC Americans in XC ski racing have to make their stand with little support and great continuous effort for a long time about 15 years before they can expect best results How to endure for that long Vordenberg shows us that you can t make it without your family friends and coaches In Momentum we see friendships like we know sports can show us but we also feel what it s like to be hanging in the wind oceans away from home and help Why dedicate your life to such slim chances for victory and even less for livelihood Vordenberg says This is not a retelling of the little engine that could Rather it is about why the little engine even tried Bob Woodward veteran ski journalist says The marvel of Vordenberg s book is that it appeals to the non skier as well as to ski racers past and present Healthy doses of self revelation touches of On The Road and remarkable insights make this a unique book It s supposedly about skiing but it s more about life and seizing it

World Class Peggy Shinn,2018-02-06 This account of the dramatic rise of the U S women s cross country ski team winners of eight medals at three world championships over the past five years paints a vivid picture of the obstacles that America s female athletes must overcome not just to ski with the world s best but to beat them In a sport where U S women have toiled for decades the development of this world class team attests to the power of a transformational leader a coach who connects with his athletes the super fast individual skiers who are also conscientious teammates and a bit of good luck This is the story of Kikkan Randal Liz Stephen Holly Brooks Jessie Diggins Ida Sargent Sadie Bjornsen Sophie Caldwell Rosie Brennan and coach Matt Whitcomb and how they created the perfect team

**Nordic Skiing** Ellen Labrecque,2018-01-01 Using the new C3 Framework for Social Studies Standards Nordic Skiing in the Global Citizens Olympic Sports series explores the sport through the lenses of History Geography Civics and Economics Text and photos look at the history basic philosophies and geography of nordic skiing Content includes information on multiple Olympic events in the category As they read students will develop questions about the text and use evidence from a variety of sources in order to form conclusions Data focused backmatter is included as well as a bibliography glossary and index
