

Modest Proposals for a Lunar Base After 2024

Woohyun Kang

Research Question

What is an appropriate framework for a sustainable lunar base that is cost-conscious, ensures mission success, and holds 100 researchers to survive and study the Moon?

Abstract

As humanity's natural inclination to explore pushes society to advance, the National Aeronautics and Space Administration(NASA) plans to land humans back on the Moon in 2024 [1]. A research base situated on the Moon will bring humanity into a new phase of interplanetary civilization. Such a project will generate new frontiers for exploration, economic opportunities, and inspire a new generation of scientifically minded people [1]. A lunar base is proposed for construction after the completion of the Artemis III mission. Vital components required for supporting 100 permanent residents on the Moon include residence, transportation, satellites, and agriculture infrastructure. The south pole of the Moon is the location considered for this lunar base. The Foundational Surface Habitat (FSH), Lunar Terrain Vehicle (LTV), Habitable Mobility Platform (HMB), solar sail satellites, and the Gateway space station are main lunar technologies that will be used in the lunar base after 2024 [2, 3]. In the lunar base, the atmosphere composition of a pressurized residence facility must be oxygen/nitrogen based on abundance and cost. Nitrogen is best sourced from Earth through nitrogen generators due to its absence on the Moon, and oxygen is best sourced from cold ice traps on the south pole. Depending on the area of ice considered, the available amount for breathing varies from 240 years' worth to 3.9 millions years' worth of oxygen. The astronauts would receive food to meet a daily caloric requirement calculated per person based on biological measurements, and the World Health Organization (WHO) provides accurate mineral and vitamin intake information [4, 5]. The average required nutrients in calories for astronauts per male per day is 2968 kcal and per female per day is 2465.75 kcal. The base provides equipment and space such that astronauts can exercise at least 2 hours a day to counteract the weak gravity of the moon. Agriculture would employ hydroponics and aeroponics. Spinach, leek, and peas are recommended crops due to their high amounts of vital nutrients such as protein [6].

Modest Proposals

Edmund Burke

Modest Proposals:

A Modest Proposal (Hero Classics) Jonathan Swift,2025-04-11 A child will make two dishes at an entertainment for friends and when the family dines alone the fore or hind quarter will make a reasonable dish and seasoned with a little pepper or salt will be very good boiled on the fourth day especially in winter

A Modest Proposal in Plain and Simple English (Translated) Jonathan Swift,2013-04-03 In 1729 Jonathan Swift proposed the most satirical answer to poverty ever written we sell poor children as food to rich people The essay is as hilarious today as it was hundreds of years ago if you can understand it f you have struggled in the past reading the satire then BookCaps can help you out We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month

Somewhat Modest Proposals Colin Cohen,2012-03-05 In 1729 Jonathan Swift famously wrote A Modest Proposal an essay in which he satirically offered a cure for Ireland s woes through the consumption of the island s children Nearly three centuries later Colin Cohen offers similar proposals to many of our world s ills some of which have been used in English classrooms across America and even in Europe Written between 2002 2010 Somewhat Modest Proposals is a collection that has something to upset everyone regardless of political affiliation

Modern Chinese Literary Thought Kirk A. Denton,1996 This volume presents a broad range of writings on modern Chinese literature Of the fifty five essays included forty seven are translated here for the first time including two essays by Lu Xun In addition the editor has provided an extensive general introduction and shorter introductions to the five parts of the book historical background a synthesis of current scholarship on modern views of Chinese literature and an original thesis on the complex formation of Chinese literary modernity The collection reflects both the mainstream Marxist interpretation of the literary values of modern China and the marginalized views proscribed at one time or another by the leftist canon It offers a full spectrum of modern Chinese perceptions of fundamental literary issues

Modest Proposals Randy Cohen,1981-01-01 Tongue in cheek letters and suggestions to corporations politicians performers and government agencies are accompanied by the official replies they elicited

Intimacy and Mission Luther E. Smith Jr.,2007-07-01 Is radical discipleship really possible today With all the competing demands we face can the church empower us to fully respond to God s call Can the church rise far enough above the demands of institutional survival to live out a radical gospel Intimacy and Mission invites readers into Christian communities working at answering such questions The author offers a carefully researched yet accessible study of five religious communities Church of the Messiah Koinania Partners Patchwork Central Sojourners and Voice of Calvary He shows how the experience of these communities can help local congregations discern possibilities for radical discipleship By revealing not only the strengths of intentional community but also the struggles experienced by each of the five communities Smith has also created a fascinating human interest narrative

The Battle of Ideas in the Labour Party Dimitri Batrouni,2020-04-22 From Attlee to

the birth of New Labour and the advent of Corbynism this book gives a lively account of the ideological developments and dramas in the Labour Party in recent decades Batrouni delves into the totemic battles between hard and soft left examining the destructive and creative elements of key periods of Labour's ideological exhaustion and ideational confusion Providing powerful insights from interviews with some of the most influential thinkers advisors and MPs in the party he goes on to examine the phenomenal emergence of Corbynism the impact of Brexit and what lies ahead for the party

Academic Freedom and Christian Scholarship Anthony J. Diekema, 2000 The dawning of the third millennium finds many Christian colleges and universities in a search for identity Coming to grips with the confused often maligned topic of academic freedom is an essential part of this search In this volume an unabashed defender of academic freedom offers well founded advice to an academy that has seemingly lost its way Drawing on forty years in higher education including twenty years as president of Calvin College Anthony Diekema reflects on the extensive scholarly literature on academic freedom against the backdrop of personal experience He develops the larger philosophical framework necessary for thinking about academic freedom but also offers pointed advice gleaned from specific events and challenges to academic freedom that he has personally confronted This balanced approach provides a seasoned perspective for those struggling with the subject of academic freedom in their own institutions In the course of the book Diekema develops a sound working definition of the concept of academic freedom assesses the threats it faces acknowledges the significance of worldview in its implementation and explores the policy implications for its protection and promotion in Christian colleges

If Babel Had a Form Tze-Yin Teo, 2022-04-05 The likeness of form between Chinese and English sentences writes the American Sinologist Ernest Fenollosa around 1906 renders translation from one to the other exceptionally easy If Babel Had a Form asks not if his claim may be true but what its phantasmic surprise may yet do In twentieth century intersections of China and Asia with the United States translations did more than communicate meaning across politicized and racializing differences of language and nation Transpacific translation breached the regulative protocols that created those very differences of human value and cultural meaning The result Tze Yin Teo argues saw translators cleaving to the sounds and shapes of poetry to imagine a translingual likeness of form but not of meaning or kind At stake in this form without meaning is a startling new task of equivalence As a concept equivalence has been rejected for its colonizing epistemology of value naming a broken promise of translation and false premise of comparison Yet the writers studied in this book veered from those ways of knowing to theorize a poetic equivalence negating the colonial foundations of the concept they ignited aporias of meaning into flashpoints for a radical literary translation The book's transpacific readings glean those forms of equivalence from the writing of Fenollosa the vernacular experiments of Boxer Scholar Hu Shi the trilingual musings of Shanghai born Los Angeles novelist Eileen Chang the minor work of the Bay Area Korean American transmedial artist Theresa Cha and a post Tiananmen elegy by the exiled dissident Yang Lian The conclusion returns to the deconstructive genealogy of recent debates on translation and

untranslatability displacing the axiom of radical alterity for a no less radical equivalence that remains pace Fenollosa far from easy or exceptional Ultimately If Babel Had a Form illuminates the demanding force of even the slightest sameness entangled in the translator's work of remaking our differences

A Modest Proposal by Jonathan Swift Jonathan Swift, 2025-03-22 A Modest Proposal is a satirical essay written by the renowned Irish author and social commentator Jonathan Swift published in 1729 This provocative piece has become one of Swift's most famous works and is often hailed as a masterstroke of satire Through razor sharp wit and scathing humor Swift addresses the dire social and economic conditions in 18th century Ireland urging readers to reflect critically on issues of poverty oppression and moral responsibility At first glance Swift's proposal appears straightforward yet shocking he suggests that impoverished Irish families should sell their children as food to wealthy diners as a means to solve both their economic woes and the problem of overpopulation This idea outrageous and macabre serves a greater purpose to draw attention to the neglect and exploitation of the Irish people by the English ruling class Swift's biting irony invites readers to consider the inhumanity of viewing the poor merely as a problem to be managed rather than as human beings deserving of dignity and respect Swift employs a logical and calculated style in presenting his proposal which makes the absurdity of his suggestion all the more striking By framing his arguments in a businesslike tone he mimics the detached rationalism often employed in economic discussions of the time He outlines the advantages of his proposal with calculated precision discussing the economic benefits and even providing calculations to illustrate how much a child could be worth on the market This chilling juxtaposition of cold logic and horrific content forces readers to confront their discomfort and reflect on the larger socio political issues at play Through the course of the essay Swift meticulously critiques both the British government and wealthy landlords who exploit the Irish population He highlights the systemic neglect faced by the impoverished depicting these individuals as victims of a callous socio economic environment The absurdity of his proposal serves as a powerful indictment of the dehumanizing attitudes that allow such injustices to persist unchecked Swift's satirical lens reveals how the ruling class discusses and treats the poor ultimately prompting readers to question their complicity in societal problems Swift's use of irony amplifies the impact of his arguments For instance he suggests that poor families should treat their children as commodities yet he concurrently exposes the inherent absurdity in viewing human life through an economic lens His extreme proposition compels readers to grapple with the underlying truths about societal neglect and moral apathy Rather than offering a genuine solution Swift's essay demands that readers confront the immorality of maintaining the status quo challenging them to reflect on what it means to be humane in the face of suffering The title itself A Modest Proposal serves as a significant element of the satire The word modest is deliberately ironic juxtaposing the outrageousness of the proposal with a tone that suggests reasonableness and practicality This contrast prepares readers for the shocking content amplifying the impact of the message Swift's choice of language reinforces the satirical nature of the work as he articulates his ideas with a veneer of civility which ultimately

highlights the grotesque nature of his proposition Throughout the essay Swift also employs vivid imagery and detailed descriptions which contribute to its emotional and psychological impact By painting a stark picture of the suffering experienced by the Irish population he elicits sympathy and outrage from his audience This vividness not only serves to shock but also reinforces the urgency of his critique emphasizing the human cost of inaction in response to poverty and inequality Ultimately A Modest Proposal transcends its historical context remaining relevant in contemporary discussions of social justice inequality and ethics The work challenges readers to consider the moral implications of their own actions and the treatment of marginalized populations Swift s audacity to confront societal issues with humor and irony continues to resonate today encouraging critical dialogues about economic policies and social responsibility In summary Jonathan Swift s A Modest Proposal stands as a brilliant example of satirical writing that combines humor with a piercing critique of societal norms and injustices Through his outrageous suggestion Swift forces readers to confront the dehumanization inherent in socio economic discussions and the neglect of vulnerable populations His work challenges us to advocate for compassion and humanity in addressing social issues rather than perpetuating cycles of exploitation As readers engage with this masterfully crafted essay they are invited to reflect on their own roles in fostering a more equitable and just society

A Modest Proposal A. Modest Proposal Jonathan Swift,2021-02-02 A Modest Proposal and Other Satires is a collection of satirical works of political social and religious commentary by Jonathan Swift The most famous of his essays perhaps the most famous essay of satire in the English language is A Modest Proposal for Preventing the Children of Poor People in Ireland from Being a Burden to Their Parents of Country and for Making Them Beneficial to the Public This essay was published anonymously in 1729 a year in which Ireland suffered from poverty and famine A Modest Proposal suggests as a method for dealing with the destitution that the Irish eat their babies

Old Age Pensions and the Aged Poor Charles Booth,1899 *Problems of Reconstruction* ,1918 *The Parliamentary Debates (official Report)*. Great Britain. Parliament. House of Commons,1913 Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament

Annual Register Edmund Burke,1882 *Brassey's Naval Annual* Royal United Services Institute for Defence Studies,1890 *The Annual Register* Edmund Burke,1882 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year s major events developments and trends in Great Britain and throughout the world From the 1920s volumes of The Annual Register took the essential shape in which they have continued ever since opening with the history of Britain then a section on foreign history covering each country or region in turn Following these are the chronicle of events brief retrospectives on the year s cultural and economic developments a short selection of documents and obituaries of eminent persons who died in the year

Brassey's Naval Annual Earl Thomas Allnutt Brassey,1890 *The Naval Annual* ,1890 *The Annual Register* ,1882

The Enigmatic Realm of **Modest Proposals**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Modest Proposals** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.
