Defoe, 2017-01-05 Moll Flanders Daniel Defoe The Fortunes and Misfortunes of the Famous Moll Flanders commonly known simply as Moll Flanders is a novel by Daniel Defoe first published in 1722 It purports to be the true account of the life of the eponymous Moll detailing her exploits from birth until old age Who was Born in Newgate and during a Life of continu d Variety for Threescore Years besides her Childhood was Twelve Year a Whore five times a Wife whereof once to her own Brother Twelve Year a Thief Eight Year a Transported Felon in Virginia at last grew Rich liv d Honest and died a Penitent Written from her own Memorandums The world is so taken up of late with novels and romances that it will be hard for a private history to be taken for genuine where the names and other circumstances of the person are concealed and on this account we must be content to leave the reader to pass his own opinion upon the ensuing sheet and take it just as he pleases The author is here supposed to be writing her own history and in the very beginning of her account she gives the reasons why she thinks fit to conceal her true name after which there is no occasion to say any more about that It is true that the original of this story is put into new words and the style of the famous lady we here speak of is a little altered particularly she is made to tell her own tale in modester words that she told it at first the copy which came first to hand having been written in language more like one still in Newgate than one grown penitent and humble as she afterwards pretends to be The pen employed in finishing her story and making it what you now see it to be has had no little difficulty to put it into a dress fit to be seen and to make it speak language fit to be read When a woman debauched from her youth nay even being the offspring of debauchery and vice comes to give an account of all her vicious practices and even to descend to the particular occasions and circumstances by which she ran through in threescore years an author must be hard put to it wrap it up so clean as not

to give room especially for vicious readers to turn it to his disadvantage **Moll Flanders** Daniel Defoe,1991 A classic of British literature giving a pseudo biography of a good woman turned bad out of survival and in the end turned away from her debauchery Moll Flanders : the Fortunes and Misfortunes of the Famous Moll Flanders : Complete and Unabridged Daniel Defoe,2009-02-06 The novel s official title is quite long and descriptive The Fortunes and Misfortunes of the Famous Moll Flanders Etc Who Was Born In Newgate and During a Life of Continu d Variety For Threescore Years Besides Her Childhood Was Twelve Year a Whore Five Times a Wife Whereof Once To Her Own Brother Twelve Year a Thief Eight Year a Transported Felon In Virginia At Last Grew Rich Liv d Honest and Died a Penitent Written from her own Memorandums The story is believed by some to be a tale of capitalism due to the numerous allusions to money contracts and other currency related items Everything including people has a monetary value Moll Flanders often causes the reader to question if doing something immoral out of necessity is really immoral at all her wicked deeds are told in a way to have compassion with her even when she intentionally harms and takes advantage of the kindest people The Fortunes and Misfortunes of the Famous Moll Flanders Daniel Defoe,1900* **Moll Flanders** Daniel Defoe,2019-07-15 Moll Flanders recounts the story of her extraordinary life from her birth in Newgate prison to her declining years in married prosperity After being seduced in the home of her adoptive family she lives off her wits and her beauty as a whore five times a Wife and a thief and is eventually transported to Virginia for her crimes Rich and penitent Moll reflects on a world that is both good and evil just as the reader both abhors and admires her Arguably the first English novel Moll Flanders is also a romance its heroine in perpetual search for a lost familial paradise **The Fortunes and Misfortunes of the Famous Moll Flanders** Daniel Defoe,2025-02-24 Daniel Defoe s The Fortunes and Misfortunes of the Famous Moll Flanders is an early 18th century novel that chronicles the tumultuous life of its protagonist Moll Flanders The story begins with Moll s birth in Newgate Prison where her mother a convicted thief is imprisoned Separated from her mother at birth Moll is raised by a nurse who despite their poverty cares for her with affection From a young age Moll harbors a strong desire for social mobility dreaming not of a life as a servant but of becoming a gentlewoman As she grows her beauty and charm attract the attention of wealthy men drawing her into a world of love deception crime and survival However her life is far from a simple Cinderella story instead it is a complex journey filled with love and betrayal crime and trickery downfall and resurgence This novel vividly portrays Moll s moral struggles and the choices she must make to survive shedding light on the rigid class structures of the time and the limited options available to women In the early chapters Moll reflects on her origins and childhood offering a glimpse into the fate that awaits her Her story captures the interplay of fortune and misfortune in a woman s life exploring human desires the instinct to survive and the relentless pursuit of rising above societal constraints **Moll Flanders** Defoe Daniel,2017-02-22 Moll s mother is a convict in Newgate Prison in London who is given a reprieve by pleading her belly a reference to the custom of staying the executions of pregnant criminals Her mother is eventually transported to America and Moll Flanders
