How to Raise a Man... Not a Momma's Boy! Glenn P. Brooks, 2012-09-03 In response to the many parents who have commented on how this book has helped them I am releasing the 2nd edition of How To Raise A Man Not A Momma's Boy with some of the key points highlighted When these points are embraced and applied they will help you to raise your son successfully My hope is that you do more than read this book but apply it This book is for parents who's goal is to better understand their sons and do their best to raise their sons to become healthy men

The Mama's Boy Myth Kate Stone Lombardi, 2012-03-15 A New York Times contributor offers a radical reexamination of a hot button issue of the mother and son relationship and advocates the end of the mama's boy taboo New York Times contributor Kate Stone Lombardi unveils the surprisingly close relationship between mothers and sons Mother after mother confessed to Lombardi that her husband brothers and even female friends and family criticize the fact that she is too close to her sons Many of these women are often startled by the strong connection they feel with their sons but rarely do they talk about it because society tells them to push their little boys away and not baby them with too much cuddling and comforting It is as if there were an existing playbook based on gender preconceptions dating back to Freud Oedipus and beyond that prescribes the way mothers and their sons should interact Lombardi's much needed narrative is the first and only book to share truly revealing interviews with mothers who have close relationships with their sons as well as interviews with these women's sons and husbands Lombardi persuasively argues that the rise of the new male one who is more emotionally intelligent and more sensitive without being less manly is directly attributable to women who are rejecting the mama's boy taboo Highlighting new scientific studies The Mama's Boy Myth begins a fresh story one that will be welcomed by mothers fathers and sons alike

Guardian described as a genuinely frightening American Psycho Hubert Selby Jr's second novel is made all the more chilling by the narrator's brief flashes of humanity The Room is a tale so terrifying the author himself couldn't read it for decades after writing it Called brutal by the New York Times when it was first published it is a dark masterpiece about a man who may be temporarily trapped in jail but whose true prison is his own anger as he is enslaved by out of control passions and sickening fantasies of revenge This ebook features an illustrated biography of Hubert Selby Jr including rare photos from the author's estate
