The New York State Education Department redesigned the 2011 Grades 3-8 English Language Arts tests. The intent of the redesign is to assess a wider range of performance indicators for each grade level. To accomplish this, the state changed the format, time, and administration dates for the tests.

Standards Assessed

The 2011 (and 2012) tests will continue to address the New York State Learning Standards, based on the 2005 ELA Standards. Specifically, the ELA tests will assess standards for listening, reading, and writing. After 2011-12, tests will be based on the Common Core Standards and State Standards (http://www.p12.nysed.gov/ciai/common_core_standards/ccstimeline.html).

On the 4th grade test, the approximate percentage of questions assessing each of the standards is:
