A Masterly Murder Susanna Gregory, 2001-06-07 The aged and saintly master of Michaelhouse is to retire and Runham all but declares himself the new master Unpopular though he is his murder spurs Matthew Bartholomew into investigating the crime and several others like it

**A Masterly Murder** Susanna Gregory, 2019-07-09 For the twentieth anniversary of the start of the Matthew Bartholomew series Sphere is delighted to reissue all of the medieval monk s cases with beautiful new series style covers The winter of 1353 has been appallingly wet there is a fever outbreak amongst the poorer townspeople and the country is not yet fully recovered from the aftermath of the plague The increasing reputation and wealth of the Cambridge colleges are causing dangerous tensions between the town Church and University Matthew Bartholomew is called to look into the deaths of three members of the University of who died from drinking poisoned wine and soon he stumbles upon criminal activities that implicate his relatives friends and colleagues so he must solve the case before matters in the town get out of hand The Cambridge college of Michaelhouse is in uproar in the November of 1353 Kenyngham the saintly but ageing Master has announced his retirement and with unseemly haste a Michaelhouse Fellow named Runham arranges his own election as his successor Within days he has dismissed several members of staff including the redoubtable laundress Agatha and is making life so unpleasant for the scholars that even Matthew Bartholomew believes his future as physician and teacher at the college is untenable While Matthew is helping Brother Michael Proctor of the fledgling university investigate some suspicious deaths Runham himself is murdered and although mourned by none Matthew and Michael know they have to solve the mystery before any more damage is done to their beloved Michaelhouse

**Murder on High Holborn** Susanna Gregory, 2014-01-02 Once again Gregory brings to bear her extraordinary ability to paint a period picture of London in all its grimness and grittiness Hats off to the lady Daily Mail The ninth adventure for Chaloner sees the Restoration London spy foil a conspiracy In 1665 England is facing war with the Dutch and the capital is awash with rumours of conspiracy and sedition As an experienced investigator Thomas Chaloner knows that there are very few grains of truth in the shifting sands of the rumour mill but the murder of Paul Ferine a Groom of the Robes in a brothel favoured by the elite of the Palace of White Hall makes him scent a whiff of genuine treason As well as investigating the murder Chaloner is charged with tracking down the leaders of a fanatical sect known as the Fifth Monarchists As he comes to know more about the group and their meetings on High Holborn he discovers a puzzling number of connections to both Ferine s murder and those involved with the defence of the realm Connections that he must disentangle before it is too late to save the country

*The Habit of Murder* Susanna Gregory, 2017-08-24 For the twentieth anniversary of the start of the Matthew Bartholomew series Sphere is delighted to reissue all of the medieval monk s cases with beautiful new series style covers The twenty third chronicle of Matthew Bartholomew In 1360 a deputation from Cambridge ventures to the Suffolk town of Clare in the hope that the wealthy Elizabeth de Burgh has left a legacy to Michaelhouse Yet when they arrive they discover that the report of

her death is false and that the college seems destined for bankruptcy Determined to see if some of its well heeled citizens can be persuaded to sponsor Michaelhouse Matthew Bartholomew Brother Michael and Master Langelee become enmeshed in the town s politics They quickly discover that a great many other people in Clare have recently met untimely deaths These killings combined with the arrogance Lady de Burgh has shown over the refurbishment of the church and the grotesque behaviour of some of her entourage have created a dangerous restlessness in the town an atmosphere intensified when yet more murders occur One of the victims is a fellow traveller of the Michaelhouse contingent and Matthew Bartholomew and Brother Michael feel honour bound to identify his killer It is a hunt which takes them deep into Clare s murky foundations and which threatens their own survival as well as that of their beloved college A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice The Sanctuary Murders Susanna Gregory,2019-08-01 The twenty fourth chronicle of Matthew Bartholomew In 1360 Edward III issues a call to arms as sporadic attacks by the French threaten to turn into a full blown invasion In Cambridge fear of the enemy is magnified by the belief that foreign agents are lurking in the area Tension runs ever higher as rumours and ignorance fan the flames of suspicion amid preparations for war And then the first murder occurs of a French scholar living in the town At Michaelhouse Brother Michael is now Master but his reach of power in the University is under threat by the election of a new Chancellor and his cohort of dubious advisors Soon the Colleges begin to squabble amongst themselves as well as with the town that never wanted a University in the first place Amidst this atmosphere of swelling distrust physician Matthew Bartholomew is called upon to investigate mysterious deaths in a nearby hospital He quickly realises that there is something odd about the inmates and their keepers something dark and deadly which seems to be connected to the growing number of murders in the town Pressure mounts as the University and the town clamour for answers leading Bartholomew and Michael in a frantic quest for a solution before the powder keg of animosity in Cambridge is ignited A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice **Murder in Retrospect** Michael Burgess,Jill H.
