## **Masterpieces Of War Reporting The Great:**

**Masterpieces of War Reporting** Louis Leo Snyder,1962      Masterpieces of War Reporting Louis Leo Snyder,1962  
*Patton's War* Kevin M. Hymel,2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits *Patton's War* An American General's Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton's WWII story

**Special Bibliographic Series** US Army Military History Research Collection,1978      **Ernest Hemingway** Audre Hanneman,2015-12-08 This bibliography of Hemingway's writings and related materials includes for the first time all of his books pamphlets stories articles newspaper contributions juvenilia library holdings of his letters and manuscripts items written about Hemingway between 1918 and 1965 and short excerpts from reviews of each of Hemingway's novels It is the first bibliography of Hemingway published since 1931 and includes much material never before assembled thirty eight contributions to his high school newspaper *Trapeze* twenty eight Spanish Civil War dispatches and first editions published in some thirty foreign languages First editions of books and pamphlets both American and English with bibliographic descriptions are given Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *The Era of World War II* Louise A. Arnold-Friend,1979      *The Book Buyer's Guide* ,1962      *The Publishers Weekly* ,1911      **Special Bibliography** ,1977

Stonewall Jackson and the American Civil War George Francis Robert Henderson,1900      *Annual Reports of the Secretary of War* United States. War Department,1912      *A Guide to Historical Reading* ,1976      **Trotsky, The Passionate Revolutionary** Allan Todd,2022-09-15 Although Trotsky was dramatically assassinated just over eighty years ago he remains a controversial figure He has had many biographers over the decades ranging from the overly sympathetic to the extremely hostile Robert Service his most recent biographer expressed the hope that his book would finish off Trotsky a job he believed the ice axe had failed to do in 1940 This biography as expected deals with those aspects for which Trotsky is noted his passionate and fiery oratory which captivated and inspired huge crowds organising the Bolshevik Revolution of November 1917 masterminding the creation of the Red Army and ensuring its victory during the Civil War becoming the

most determined opponent of Stalin's creation of a monolithic party and state being a Marxist theoretician of socialist revolution and combatting fascism and of course being the originator of the very specific brand of revolutionary socialism that as early as 1906 became known as Trotskyism However this biography also explores other aspects of Trotsky's life which are not so well known In particular from a very early age his love of writing the world of books and publishing became his first passion it remained his first love and if revolutionary politics had not taken over his life would have been a very literary one Immediately after the November Revolution he hoped to return to his literary work believing his main practical work as a revolutionary was over His writings on art and literature when compared to the stultifying strictures of the Socialist Realism associated with Stalinism are remarkably sympathetic and open while he also wrote many perceptive articles as a war correspondent covering both the Balkan Wars and the early stages of the First World War Other aspects covered by this biography concern his family life and his relationships with his children Also explored is his love life while it is known he had a brief affair with the Mexican artist Frida Kahlo there are also suggestions he may have had other affairs Whatever the truth of such allegations he certainly maintained a passionate relationship with his long term companion Natalya Sedova and readers should be aware that one proof of that provided towards the end of this book contains very explicit language

*Saint Bartholomew's Hospital Reports* ,1877     **Eighth Air Force** Donald L. Miller,2007 This volume looks at the history of the Eighth Air Force in Britain It covers the individual destinies the famous and notorious raids like Schweinfurt Regensburg and Dresden the social transformation of east Anglian villages by an influx of good time Yanks the POW camps and the endless controversy about the ethics of bombing     **Herbert Corey's Great War** Herbert Corey,2022-06 In 1914 the Associated Newspapers sent correspondent Herbert Corey to Europe on the day Great Britain declared war on Germany During the Great War that followed Corey reported from France Britain and Germany visiting the German lines on both the western and eastern fronts He also reported from Greece Italy Switzerland Holland Belgium and Serbia When the Armistice was signed in November 1918 Corey defied the rules of the American Expeditionary Forces and crossed into Germany He covered the Paris Peace Conference the following year No other foreign correspondent matched the longevity of his reporting during World War I Until recently however his unpublished memoir lay largely unnoticed among his papers in the Library of Congress With publication of Herbert Corey's Great War coeditors Peter Finn and John Maxwell Hamilton reestablish Corey's name in the annals of American war reporting As a correspondent he defies easy comparison He approximates Ernie Pyle in his sympathetic interest in the American foot soldier but he also told stories about troops on the other side and about noncombatants He is especially illuminating on the obstacles reporters faced in conveying the story of the Great War to Americans As his memoir makes clear Corey didn't believe he was in Europe to serve the Allies He viewed himself as an outsider one who was deeply ambivalent about the entry of the United States into the war His idiosyncratic opinionated and very American voice makes for compelling reading     *University of California Union Catalog of Monographs*

*Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles* University of California (System). Institute of Library Research, University of California, Berkeley, 1972     **University of California Union Catalog of Monographs**
