Masters Of Western Art:

Great Masters of Western Art Jordi Vigué, 2002 An accessible guide to the life and work of seventy five top masters covers every significant art movement provides reproductions of major works and includes biographical discussions about the artists themselves Original Masters of Western Art Mary C. Nelson, 1982-05 **Chinese Landscape Painting as Western Art**

History James Elkins, 2010-06-01 This is a provocative essay of reflections on traditional mainstream scholarship on Chinese art as done by towering figures in the field such as James Cahill and Wen Fong James Elkins offers an engaging and accessible survey of his personal journey encountering and interpreting Chinese art through Western scholars writings He argues that the search for optimal comparisons is itself a modern Western interest and that art history as a discipline is inherently Western in several identifiable senses Although he concentrates on art history in this book and on Chinese painting in particular these issues bear implications for Sinology in general and for wider questions about humanistic inquiry and historical writing Jennifer Purtle s Foreword provides a useful counterpoint from the perspective of a Chinese art specialist anticipating and responding to other specialists likely reactions to Elkins s hypotheses *Russian and Soviet Views of Modern Western Art* Ilia Dorontchenkov, N. A. Gur'ianova, 2009 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections **Catalog and Yearbook** University of Northern Colorado, 1921
