*LENSMAN Boxed Set* E. E. Smith, 2023-12-02 The LENSMAN Boxed Set by E E Smith is a seminal collection in the science fiction genre that showcases the unparalleled scope of Smith's imagination and his pioneering contributions to space opera. This set encapsulates the adventures of the Lensmen, a group of elite heroes endowed with psychic powers and a mysterious device known as the Lens. Smith's prose is characterized by its rich, sprawling narrative style, combining vivid descriptions with meticulous world building, crafting a universe that resonates with the ethical dilemmas of absolute power and interstellar warfare. Published in the mid 20th century, this work not only reflects the era's fascination with technology and morality but also serves as a precursor to later science fiction tropes, influencing countless authors that followed. E E Smith is often hailed as the father of space opera, writing during a pivotal time in American literature when the genre was beginning to take form and assert itself. His background in engineering and a passion for astronomy provided a fertile ground for his creative endeavors, manifesting in a narrative that challenges the boundaries of human potential and explores complex themes of good versus evil within a galactic context. Smith's experiences during World War I also imbued his works with a nuanced understanding of conflict and camaraderie. For readers seeking a foundational text that exemplifies the grandeur of science fiction, the LENSMAN Boxed Set stands as a must-read. It not only delivers exhilarating escapades through the cosmos but also invites reflection on the responsibilities that accompany power. Dive into this masterful collection to experience the origins of space opera, propel your imagination, and explore the moral intricacies that echo into our contemporary understanding of heroism. In this enriched edition, we have carefully created added value for your reading experience. A comprehensive Introduction outlines these selected works, unifying features, themes, or stylistic evolutions.
