(Christian Daa), b. 1874, 2002

**Mastery of Fate** Christian D Larson, Retired Out of Print, 2009-10-28 To change yourself you must change your thought because each person becomes what they think To change your thought you must be able to determine and then decide what impressions you will allow to form in your mind Every thought is created in the likeness of a mental impression To choose your own mental impressions you must learn to govern the objective senses and you must acquire the art of original thought Anyone who wishes to change his fate can do so by imaging upon mind a different fate and by keeping that image so constantly before mind that every thought becomes the likeness of the new fate The law is that the external world of man changes when his mental world changes and through the constructive use of the imagination the mental world can be changed in any way that we may desire Mastery of Fate offers you a blueprint to become the director of your destiny and the master of your fate Visit Morpheus Books for more information <http://morpheusbooks.blogspot.co> Self Mastery and Fate Harve Spencer Lewis, 1929 The Mastery of Self and the Mastery of Fate Christian D.
