Sadat Ashraf Marwan had access to the deepest secrets of the country's government. But Marwan himself had a secret. He was a spy for the Mossad, Israel's intelligence service. Under the codename The Angel, Marwan turned Egypt into an open book for the Israeli intelligence services and by alerting the Mossad in advance of the joint Egyptian-Syrian attack on Yom Kippur, saved Israel from a devastating defeat. Drawing on meticulous research and interviews with many key participants, political science professor Uri Bar Joseph's *The Angel: The Egyptian Spy Who Saved Israel* pieces together Marwan's story. In the process, he sheds new light on this volatile time in modern Egyptian and Middle Eastern history, culminating in 2011's Arab Spring. The Angel also chronicles the discord within the Israeli government that brought down Prime Minister Golda Meir. However, this nail-biting narrative doesn't end with Israel's victory in the Yom Kippur War. Marwan eluded Egypt's ruthless secret services for many years, but then somebody talked. In 2007, his body was found in the garden of his London apartment building. Police suspected he had been thrown from his fifth-floor balcony and, thanks to explosive new evidence, Bar Joseph can finally reveal who, how, and why. [Death of an Ice Cream Scooper](#) Lee Hollis, 2022-07-26. Apparently, the mouthwatering new ice cream flavors on the menu in coastal Bar Harbor, Maine, are really just to die for. Food and cocktails columnist Hayley Powell doesn't know what to believe when Lydia Partridge, the put-together owner of gourmet Bar Harbor Ice Cream, suddenly reveals fears that her husband may be having an affair. There's no other way to explain why Jamie, a respected professor, was spotted in a remote part of town with a much younger woman. But instead of learning the truth about the secret meeting, Lydia opens her freezer truck to find another surprise: the dead body of a summer employee. The shock continues as photographic evidence proves Jamie was spending time off campus with the victim, one of his students. Now Lydia desperately needs Hayley to discover if Jamie really is a cheater and, worse, a ruthless killer. With her own complicated family issues to address, can Hayley make sense of a popular college girl's love life and out the true culprit before the case—or another person—goes cold? Includes delectable recipes from Hayley's kitchen. An enjoyably twisty mystery laced with the heroine's equally entertaining foodcentric newspaper columns.
