Material Culture And Consumer Society:

Material Culture and Mass Consumerism Daniel Miller, 1997-12-08 Exploring materialism and social relationships in modern culture Material Culture and Mass Consumption offers an in depth exploration of objects objectification ideology and materialism in modern society Drawing from Hegel Marx Munn and Simmel the discussion delves into the physicality of the material world and attempts to understand materialism as a form of cultural expression Targeting mass production as the root of mass consumption rather than the result this book positions material goods at odds with genuine social interaction and questions these relationships from the abstract to the intensely specific

Consumer Culture Celia Lury, 2011 The second edition of Consumer Culture explores the nature and role of consumption in modern societies Celia Lury's up to date revision of this successful classic establishes the importance of new object based studies for consumer culture and incorporates new chapters on branding and the rise of ethical consumption Drawing on a wide range of studies and using contemporary illustrations from the media and popular culture Lury examines the emergence of consumer culture and the changing relations between the production and consumption of cultural goods She argues that consumer culture has become increasingly stylized and now provides an important context for everyday creativity This new edition of Consumer Culture explores the way in which the position of individuals within social groups and their position in social groups structured by class gender race and age affects the nature of their participation in consumer culture The powerful role consumption plays in our lives is revealed and consumer culture is seen to provide new ways of creating social and political identities

Collecting in a Consumer Society Russell W. Belk, 1995 Collecting whether by individuals or institutions is a form of consumption In this groundbreaking book Russell Belk examines the relationship between the development of consumer society and the rise of collecting by individuals and institutions He also considers how and why we collect as individuals corporations and museums and the impact this collecting has on us and our culture

Culture and Consumption Grant David McCracken, 1990-11-22 This book compiles and integrates highly innovative work aimed at bridging the fields of anthropology and consumer behavior Journal of Consumer Affairs fascinating ambitious and interesting Canadian Advertising Foundation Newsletter an anthropological dig into consumerism brimming with original thought The Globe and Mail Grant McCracken has written a provocative book that puts consumerism in its place in Western society at the centre Report on Business Magazine a stimulating addition to knowledge and theory about the interrelationship of culture and consumption Choice McCracken's synthesis of anthropological and consumer studies material will give historians new ideas and methods to integrate into their thinking Maryland Historian The book offers a fresh and much needed cultural interpretation of consumption Journal of Consumer Policy The volume will help balance the prevailing cognitive and social psychological cast of consumer research and should stimulate more comprehensive investigation into consumer behavior Journal of Marketing Research broad scope enthusiasm and imagination a significant contribution to the literature on consumption history

consumer behavior and American material culture Winterhur Portfolio For this is a superb book a definitive exploration of its subject that makes use of the full range of available literature American Journal of Sociology McCracken's book is a fine synthesis of a new current of thought that strives to create an interdisciplinary social science of consumption behaviors a current to which folklorists have much to contribute Journal of American Folklore This provocative book takes a refreshing new view of the culture of consumption McCracken examines the interplay of culture and consumer behavior from the anthropologist's point of view and provides new insights into the way we view ourselves and our society

Consumer Behaviour and Material Culture in Britain, 1660-1760 Lorna Weatherill, 1996 This is a detailed study of the material lives of the middle classes in the pre industrial era a period which saw considerable growth in consumption Lorna Weatherill has brought her highly important survey up to date in the light of new research She provides a new introduction and bibliography taking account of the latest academic writing and methodological advances including computing and offers further conclusions about her work and its place in current literature Three main types of documentation are used to construct the overall picture diaries household accounts and probate inventories In investigating these sources she interprets the social meaning of material goods and then goes on to relate this evidence to the social structures of Britain by wealth status and locality Breaking new ground in

focusing on households and the use of probate inventories Weatherill has provided a book which gives both a general account of the domestic environment of the period and a scholarly analysis of the data on consumption patterns **Acknowledging Consumption** Daniel Miller, 2005-09-20 First published in 1995 Routledge is an imprint of Taylor Francis an informal company Material Culture in Europe and China, 1400-1800 S.A.M. Adshead, 1997-09-11 This book reinterprets the rise of consumerism in terms of interaction between Europe and China 1400 1800 In particular it examines the intellectual foundations of consumerism in food dress shelter utilities information and symbolism It highlights consumerism as an expression of both rationality and freedom and indicates the constructive role it has played in the formation of the modern world Particular use is made of comparisons between developments in Europe and China to differentiate both Consumer Society in American History Lawrence B. Glickman, 1999 This volume offers the most comprehensive and incisive exploration of American consumer history to date spanning the four centuries from the colonial era to the present Material Lives Serena Dyer, 2021-01-28 Eighteenth century women told their life stories through making With its compelling stories of women's material experiences and practices Material Lives offers a new perspective on eighteenth century production and consumption Genteel women's making has traditionally been seen as decorative trivial and superficial Yet their material archives forged through fabric samples watercolours dressed prints and dolls garments reveal how women used the material culture of making to record and navigate their lives Material Lives positions women as makers in a consumer society Through fragments of fabric and paper Dyer explores an innovative way of accessing the lives of otherwise obscured women For researchers and students of material culture dress history consumption gender and women's history it offers a rich resource to illuminate the power of needles paintbrushes and scissors **Things Change** Robert Ross, 2023-05-08 Since the early nineteenth century the things which Black South Africans have had in their homes have changed completely They have adopted things like tables chairs knives forks spoons plates cups and saucers iron pots beds blankets European clothing and later electronic apparatus Thus they claimed modernity respectability and political inclusion This book is the first systematic analysis of this development It argues that the desire to possess such goods formed a major part of the drive behind the anti apartheid struggle and that the demand to consume has significantly influenced both the economy and the politics of the country *Religion in Consumer Society* François Gauthier, 2016-04-08 Presenting an overview of an emerging field in the study of contemporary religion this book together with a complementary volume Religion in the Neoliberal Age explores issues of religion neoliberalism and consumer society Claiming that we have entered a new phase that implies more than the recasting of state religion relations the authors examine how religious changes are historically anchored in modernity but affected by the commoditization mediatization neoliberalization and globalization of society and social life Religion in Consumer Society explores religion as both shaped by consumer culture and as shaping consumer culture Following an introduction which critically analyses studies on consumer culture and integrates scholarship in the sociology of religion this

book explores the following topics how consumerism and electronic media have shaped globalized culture and how this is affecting religion the dynamics and characteristics of often overlooked middle class religion and how these relate to globalization and differences between developed and emerging countries emerging trends and how we understand phenomena as different as mega churches and holistic spiritualistic journeys and how the pressures of consumer culture act on religious traditions indigenous and exogenous the politics of religious phenomena in the Age of Neoliberalism and the hybrid areas emerging from these reconfigurations of religion and the market Outlining changes in both the political institutional and cultural spheres the contributors offer an international overview of developments in different countries and state of the art representation of religion in the new global political economy The World of Consumption Ben Fine, 2002 An analysis of the cluttered landscape of studies of consumption examining themes such as the world of commodities economic imperialism and globalization and the consumer society *Material Culture* Kenneth L. Ames, 1985 Food and the Self Isabelle de Solier, 2013-10-10 We often hear that selves are no longer formed through producing material things at work but by consuming them in leisure leading to meaningless modern lives This important book reveals the cultural shift to be more complex demonstrating how people in postindustrial societies strive to form meaningful and moral selves through both the consumption and production of material culture in leisure Focusing on the material culture of food the book explores these theoretical questions through an ethnography of those individuals for whom food is central to their self foodies It examines what foodies do and why they do it through an in depth study of their lived experiences The book uncovers how food offers a means of shaping the self not as a consumer but as an amateur who engages in both the production and consumption of material culture and adopts a professional approach which reveals the new moralities of productive leisure in self formation The chapters examine a variety of practices from fine dining and shopping to cooking and blogging and include rare data on how people use media such as cookbooks food television and digital food media in their everyday life This book is ideal for students scholars and anyone interested in the meaning of food in modern life *Gender, Taste, and Material Culture in Britain and North America, 1700-1830* John Styles, Amanda Vickery, 2006 Between 1700 and 1830 men and women in the English speaking territories framing the Atlantic gained unprecedented access to material things The British Atlantic was an empire of goods held together not just by political authority and a common language but by a shared material culture nourished by constant flows of commodities Diets expanded to include exotic luxuries such as tea and sugar the fruits of mercantile and colonial expansion Homes were furnished with novel goods like clocks and earthenware teapots the products of British industrial ingenuity This groundbreaking book compares these developments in Britain and North America bringing together a multi disciplinary group of scholars to consider basic questions about women men and objects in these regions In asking who did the shopping how things were used and why they became the subject of political dispute the essays show the profound significance of everyday objects in the eighteenth century Atlantic world **The Consumer Society**

Neva R. Goodwin, Frank Ackerman, David Kiron, 2013-04-16 The developed countries particularly the United States consume a disproportionate share of the world's resources yet high and rising levels of consumption do not necessarily lead to greater satisfaction security or well being even for affluent consumers The Consumer Society provides brief summaries of the most important and influential writings on the environmental moral and social implications of a consumer society and consumer lifestyles Each section consists of ten to twelve summaries of critical writings in a specific area with an introductory essay that outlines the state of knowledge in that area and indicates where further research is needed Sections cover Scope and Definition Consumption in the Affluent Society Family Gender and Socialization The History of Consumerism Foundations of Economic Theories of Consumption Critiques and Alternatives in Economic Theory Perpetuating Consumer Culture Media Advertising and Wants Creation Consumption and the Environment Globalization and Consumer Culture Visions of an Alternative This book is the second volume in the Frontier Issues in Economic Thought series which provides surveys of the most significant writings in emergent areas of economics an invaluable aid in fast growing fields where genuine new ground is being broken The series brings together economists sociologists psychologists and philosophers to develop analyses that challenge and enrich the dominant neoclassical paradigm The Consumer Society is an essential guide to and summary of the literature of consumption and will be of interest to anyone concerned with the deeper economic social and ethical implications of consumerism

Ageing in a Consumer Society Ian Rees Jones, Martin Hyde, 2008-09 This book provides a unique critical perspective on the changing nature of later life by examining the engagement of older people with consumer society in Britain since the 1960s

Material Culture and Consumer Society Mark Staniforth, 2012-09-18 The establishment of a consumer society in Australia has not been a particularly well explored area of academic inquiry My interests lie in the concepts and meanings that underlie the material world ideas like in the words of Madonna I am a material girl and I live in a material world terminology taken to be not gender specific the classic graffiti paraphrasing of Descartes I shop therefore I am or perhaps simply in the world of goods in the more academically respectable terms of Douglas and Isherwood 1979 This book arises out of my longstanding interest in the early colonial period in Australia In part it represents an extension of the purely historical research conducted for my Master's thesis in the Department of History at the University of Sydney which explored aspects of the diet health and lived experience of convicts and immigrants during their voyages to the Australian colonies within the timeframe 1837 to 1839 Staniforth 1993a More importantly it is the culmination of more than twenty five years involvement in the excavation of shipwreck sites in Australia starting with James Matthews 1841 in 1974 through the test excavation of William Salthouse in 1982 continuing with my involvement between 1985 and 1994 in the excavation of Sydney Cove 1797 and most recently with shore based whaling stations and whaling shipwreck sites In this respect this book may be seen as an example of what Ian Hodder 1986 p
