**Overcomer** Victor J. Clark, 2021-10-07 Statistics say that 98 percent of people in the world die without ever fulfilling their purpose This is extremely concerning because many people are living hopeless and apathetic lives Deep down inside people want their lives to count to matter and to be worth something People want their lives to have meaning and are searching for the keys to find inner peace and happiness Throughout our journey we unfortunately make life more complicated than it needs to be because we believe our purpose gives us our identity To say the least it should be the other way around because we must discover who we are within in order to find our purpose When we discover who we are we will find happiness and this will lead us down the road of success Unfortunately people are led to believe that success will bring them happiness but this is far from the truth True success starts with knowing yourself so that you can find the peace and happiness you desperately crave Overcomer is a book that will help you to discover your true self and propel you into the
