,1929 Jainism Agustin Panikar,2010-01-01 Jainism is a tradition which dates back thousands of years which is unbelievably rich and profound and which has certain unmistakable signs of identity Contrary to what some might think it is not in any sense a poor relation of Buddhism nor is a strange atheistic and ascetic sect within Hinduism Jainism is above all the religion of non violence ahimsa an ideal which all other religions of India were subsequently to make theirs and which was made universal by Gandhi in the 20th century Like Buddhism Jainism is a religion without God which paradoxically opens to the truly sacred in the deepest reaches of all living beings in the cosmos And it is also the religion of non absolutism anekantavada a particular form of philosophical pluralism which seems astonishingly modern

**Restless China** Eugene Perry Link,Richard P. Madsen,Paul G. Pickowicz,2013-03-28 This compelling book explores the explosive pace of change in China and how its citizens are grappling with a dramatically new world both in the public and private spheres China s stratospheric growth has made it the second largest economy in the world and one of the most unequal Marxist ideology and socialist ideals have almost completely collapsed replaced by a combination of materialism and assertive nationalism The vast migration of labor from countryside to city has continued apace The pressures of a hypercompetitive market economy are ripping apart the traditional family and threatening the environment Corruption has reached new heights The political system is even more rigid but perhaps more brittle than a decade ago There is enormous popular pride in the ascension of China to the rank of global superpower and general satisfaction in the material benefits that the poor as well as the rich have been gaining from an expanding economy But there is also great restlessness anger about structural injustice and political corruption and a search for new forms of spirituality and ethics to replace a collapsing moral order The question What does it

mean in the new day to be Chinese lurks just beneath the surface This unique interdisciplinary book frames this central issue through an innovative set of case studies on such cutting edge topics as reality dating shows countercultural invented language star bloggers faith healers and subversive jokes Contributions by Jeremy Brown X L Ding Hsiung Ping chen William Jankowiak Shuyu Kong Perry Link Richard P Madsen David Moser Paul G Pickowicz Su Xiaokang Xiao Qiang Yunxiang Yan and Yang Lijun    'Atsa Louie, I'ma Phil Louie Palermo, Phil Palermo, Bernard Palmer, 1975    **The Unitarian** Jabez Thomas Sunderland, Brooke Herford, Frederick B.
