Barlow, Michelle G. Craske, 2006-12-14 Do you have rushes of fear accompanied by a pounding heart trembling dizziness and feelings of unreality that make you think you're sick dying or losing your mind Do these feelings interfere with your normal daily routine or prevent you from doing things you would normally do If you are prone to panic attacks and constantly worry about when the next attack may come you may suffer from panic disorder and/or agoraphobia Though panic disorder seems irrational and uncontrollable it has been proven that a treatment like the one outlined in this book can help you take control of your life Now in its 4th edition **Mastery of Your Anxiety and Panic Workbook** I has been updated to include strategies and

techniques for dealing with both panic disorder and agoraphobia. The program outlined is based on the principles of cognitive behavioral therapy CBT and is organized by skill with each chapter building on the one before it. You will learn the importance of record keeping and monitoring your progress as well as breathing techniques and thinking skills. The main focus of treatment involves learning how to face agoraphobic situations and the scary physical symptoms of panic from an entirely new perspective. Self assessment quizzes, homework exercises and interactive forms allow you to become an active participant in your treatment. Over time you will learn to manage your panic attacks, anxiety about panic and avoidance of panic and agoraphobic situations. This workbook is a one of a kind resource that has been recommended for use by public health services around the world. It allows you to work alongside your therapist to personalize your treatment strategy and learn recovery skills that are useful for a lifetime. *TreatmentsThatWork* represents the gold standard of behavioral healthcare interventions. All programs have been rigorously tested in clinical trials and are backed by years of research. A prestigious scientific advisory board led by series Editor In Chief David H. Barlow reviews and evaluates each intervention to ensure that it meets the highest standard of evidence so you can be confident that you are using the most effective treatment available to date. Our books are reliable and effective and make it easy for you to provide your clients with the best care available. Our corresponding workbooks contain psychoeducational information forms and worksheets and homework assignments to keep clients engaged and motivated. A companion website ([www.oup.com/us/ttw](http://www.oup.com/us/ttw)) offers downloadable clinical tools and helpful resources.
