The Material Used in Musical Composition - Part I Percy Goetschius, 2012-03-10 **The Material Used in Musical Composition** Percy Goetschius, 2017-11-26 Excerpt from *The Material Used in Musical Composition A System of Harmony Designed and Adopted for Use in the English Harmony Classes of the Conservatory of Music at Stuttgart* The references to other paragraphs which may appear at first glance unnecessarily profuse have been made with the studied purpose of impressing certain points more deeply upon the scholar's mind by dint of frequent repetition Therefore the scholar is required to make conscientious use of them despite the slight interruptions they may cause In the other references to other works the Author has limited himself as much as possible to such Compositions as are accessible to every scholar and with very rare exceptions in favor of some particularly striking examples to Piano forte music alone The printed examples of which those not otherwise marked are original are the more pointed illustrations of the matter in question and are so copious that the references if unobtainable may be dispensed with About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
