In addition to being warm, funny and smart, *Twelve Recipes* will actually teach you to cook. *New York Times Book Review*, International Association of Culinary Professionals IACP Cookbook Award Winner. When his oldest son was leaving for college, Cal Peternell, the chef of San Francisco's legendary *Chez Panisse*, realized that although he regularly made dinners for his family, he'd never taught them the basics of cooking. Based on the life altering course of instruction he prepared and honed through many phone calls with his son, *Twelve Recipes* is the ultimate introduction to the kitchen. *Twelve Recipes* will help home cooks develop a core repertoire of skills and increase their culinary confidence. Peternell tells you what basic ingredients and tools you need for a particular recipe and then adds variations to expand your understanding. Each tip, instruction and recipe connects with others to weave into a larger story that illuminates the connection between food and life. A deeply personal book, it was written by
