Award Winning Investing:

The Winning Investment Habits of Warren Buffett & George Soros Mark Tier, 2013-09-17 Warren Buffett Carl Icahn and George Soros all started with nothing and made billion dollar fortunes solely by investing But their investment strategies are so widely divergent what could they possibly have in common As Mark Tier demonstrates in this insightful book the secrets that made Buffett Icahn and Soros the world's three richest investors are the same mental habits and strategies they all practice religiously However these are mental habits and strategies that fly in the face of Wall Street's conventional mindset For example Buffett Icahn and Soros do not diversify When they buy they buy as much as they can They're not focused on the profits they expect to make Going in they're not investing for the money at all They don't believe that big profits involve big risks In fact they're far more focused on not losing money than making it Wall Street research reports They never read them They're not interested in what other people think Indeed Buffett says he only reads analyst reports when he needs a laugh In *The Winning Investment Habits of Warren Buffett George Soros* you can discover how the mental habits that guided your last investment decision stack up against those of Buffett Icahn and Soros Then learn exactly how you can apply the wealth building secrets of the world's richest investors to transform your own investment results [The Guru Investor](#) John P. Reese, Jack M. Forehand, 2009-02-03 Today's investor is faced with a myriad of investment options and strategies Whether you are seeking someone to manage your money or are a self-directed investor deciding to tackle the market on your own the options can be overwhelming In an easy to read and simple format this book will dissect the strategies of some of Wall Street's most successful investment gurus and teach readers how to weed through the all of the choices to find a strategy that works for them The model portfolio system that author John Reese developed turns each strategy into an actionable system addressing many of the common mistakes that doom individual investors to market underperformance This book will focus on the principles behind the author's multi-guru approach showing how investors can combine the proven strategies of these legendary gurus into a disciplined investing system that has significantly outperformed the market Gurus covered in the book are Benjamin Graham John Neff David Dreman Warren Buffett Peter Lynch Ken Fisher Martin Zweig James O. Shaughnessy Joel Greenblatt and Joseph Piotroski [The Art of Value Investing](#) John Heins, Whitney Tilson, 2013-04-12 Says Bill Ackman of Pershing Square Capital Management about *The Art of Value Investing* I learned the investment business largely from the work and thinking of other investors *The Art of Value Investing* is a thoughtfully organized compilation of some of the best investment insights I have ever read Read this book with care It will be one of the highest return investments you will ever make Based on interviews with the world's most successful value investors *The Art of Value Investing* offers a comprehensive set of answers to the questions every equity money manager should have thought through clearly before holding himself or herself out as a worthy steward of other people's money What market inefficiencies will I try to exploit How will I generate ideas What will be my geographic focus What analytical edge will I hope to have What valuation methodologies will I use

What time horizon will I typically employ How many stocks will I own How specifically will I decide to buy or sell Will I hedge and how How will I keep my emotions from getting the best of me Who should read *The Art of Value Investing* It is as vital a resource for the just starting out investor as for the sophisticated professional one The former will find a comprehensive guidebook for defining a sound investment strategy from A to Z the latter will find all aspects of his or her existing practice challenged or reconfirmed by the provocative thinking of their most successful peers It also is a must read for any investor institutional or individual charged with choosing the best managers for the money they are allocating to equities Choosing the right managers requires knowing all the right questions to ask as well as the answers worthy of respect and attention both of which are delivered in *The Art of Value Investing* *The Magazine of Wall Street and Business Analyst* ,1918
