Numeracy on Display Margaret Share, 2001 *Improving Maths Pedagogy and Practice (IMPP) Scale* Denise

Kingston, Iram Siraj, Judy Barrett, 2025-10-28 The Improving Maths Pedagogy and Practice IMPP scale is an innovative way of

assessing and improving the quality and effectiveness of mathematics teaching in the first few years of primary or

elementary schooling It is informed by the evidence base of practice shown to improve children's outcomes and extensive

professional development delivered by the authors The IMPP supports both the how and what of teaching mathematics to

young children encourages positive dispositions towards maths and addresses issues such as maths anxiety and

disengagement It focuses on teaching developmentally appropriate maths with understanding using maths talk child friendly

contexts concrete pictorial and abstract representations to their best effect This unique measurement scale supports the

teaching of early mathematics in primary elementary schools using the evidence base of what works best to support fluency

and mastery teachers content and pedagogical content knowledge of mathematics including comprehensive sets of practical

examples quality improvement processes and self assessment of the mathematics taught in classrooms children learning

mathematics with understanding which also supports their engagement enjoyment and achievements researchers auditors

and or inspectors looking for a measure of mathematical quality and effectiveness in the classroom The IMPP will help

teachers and school leadership successfully develop their children's mathematical understanding reasoning and problem

solving Educators can use the scale for self evaluation of their own practice so they can build on what they already do well

and improve where required Leadership teams and mentors can use it to audit quality support positive discussions and set

effective development targets The scale is particularly useful when supporting children living with disadvantage and those

with additional learning needs and maths anxiety Mathematics Through Play in the Early Years Kate Tucker, 2010-03-31
