

# THE MAYAN CONNECTION

# Mayan Connection

**Nick Carter**

## **Mayan Connection:**

**Mayan and Mexican Origins** Leo Wiener,1926      **Connections** Chuck Nusinov,2007-07 Prufrock press differentiated curriculum kits provide hands on discovery based research oriented activities that are cross curricular Prufrock curricula are based on conceptual themes By using abstract words the topics are broad universal and timeless      **Beyond the Mayan Prophecy** Paul Shavelson,2012-10-30 Featuring contributors such as John Edward Char Margolis Sandy Anastasia Rick Levine Glynis McCants Mark Van Stone Mary Jo McCabe Gahl Sasson Dr Alicia Tisdale Maggie Kerr Kala Ambrose Mirabai Devi Linda West Derek O Neill Alan Oken John Holland and Austyn Wells For the past forty years there have been a growing number of people who believe that nothing less than a cataclysmic change is coming in the evolution of Mankind From the dawning of the Age of Aquarius to cosmic forces read Aliens coming to engineer our DNA to the doomsday scenarios triggered by the end of the Mayan calendar there have been those who are sure that the world as we know it is coming to an end And soon But that cataclysmic end has not de materialized or has it In 2012 new data was discovered in Guatemala that gives us concrete evidence of a new paradigm concerning the Mayans and their calendar We are now faced with the idea that perhaps we aren t staring at Armageddon but stand in the middle of a 33 year transformative process While the Mayans might have seen a change for humanity it isn t an ending per se And if there is change why does that change need to imply destruction Couldn t it be an opportunity for mankind to assess their place in the universe and engage in a positive rebirth in a new era Beyond The Mayan Prophecy posits that our modern day weakness or confusion can be attributed to a less spiritual way of thinking Perhaps our left side brain thinking has held us back from discovering and accepting higher planetary secrets for centuries To move forward with more balanced understanding Paul Shavelson a multi media story teller and former Executive Producer of the hit psychic television show CROSSING OVER has spent the last decade exploring the world of psychics and mystics Paul has assembled a psychic dream team to decode the past and to predict the future With famed metaphysical experts such as Char Margolis Rick Levine Maggie Kerr Alan Oken and Numerologist Glynis McCants Paul covers everything from alien communication to instant collective thinking The Collective Unconscious being cultivated on the internet The dialogue and interviews will be discussed through sidebars by psychic medium author and TV personality John Edward who also provides the forward and afterword of this provocative subject With positive energy and a willingness to have us think outside the box and a personal journey by the author that brings an unexpected and moving aspect to the experience Beyond The Mayan Prophecy is an entertaining thought provoking work that will let the reader embrace why the second half of this transition could be remarkable and inspiring At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      **American Indian Languages** Lyle Campbell,2000-09-21 Native American languages are spoken from Siberia to Greenland and from the Arctic to Tierra del Fuego they include the southernmost language of the world Yaghan and some of the northernmost Eskimoan Campbell s project is to take stock of

what is currently known about the history of Native American languages and in the process examine the state of American Indian historical linguistics and the success and failure of its various methodologies There is remarkably little consensus in the field largely due to the 1987 publication of *Language in the Americas* by Joseph Greenberg He claimed to trace a historical relation between all American Indian languages of North and South America implying that most of the Western Hemisphere was settled by a single wave of immigration from Asia This has caused intense controversy and Campbell as a leading scholar in the field intends this volume to be in part a response to Greenberg Finally Campbell demonstrates that the historical study of Native American languages has always relied on up to date methodology and theoretical assumptions and did not as is often believed lag behind the European historical linguistic tradition

**Latinos in the Midwest** Rubén O. Martinez, 2011-06-01 Over the past twenty years the Latino population in the Midwest has grown rapidly both in urban and rural areas As elsewhere in the country shifting demographics in the region have given rise to controversy and mixed reception Where some communities have greeted Latinos openly others have been more guarded In spite of their increasing presence Latinos remain the most marginalized major population group in the country In coming years the projected growth of this population will require greater attention from policymakers concerned with helping to incorporate them into the nation's core institutions This eye opening collection of essays examines the many ways in which an increase in the Latino population has impacted the Midwest culturally economically educationally and politically Drawing on studies personal histories legal rulings and other sources this book takes an interdisciplinary approach to an increasingly important topic in American society and offers a glimpse into the nation's demographic future

*Mayan Literacy Reinvention in Guatemala* Mary J. Holbrock, 2016-11-01 At the turn of the millennium Guatemala experienced a Mayan cultural renaissance often referred to as the Maya Movement One aspect of this movement was the revitalization of indigenous Mayan languages for written purposes The Mayan writing system is one of the oldest in the world thus its reinvention includes a new standardized alphabetic system for each of the twenty two Mayan languages spoken in Guatemala as well as the incorporation and continuation of some of its ancient elements This book represents a case study conducted in two Mayan villages in the Guatemalan highlands and it investigates three main aspects of Mayan literacy its availability in publications and media its practice in the school system and its use among Maya people Through this investigation the promises and pitfalls of a literacy revitalization endeavor are detailed and our understanding of the concept of literacy is reexamined

**Before the Pharaohs** Edward F. Malkowski, 2010-04-12 Presents conclusive evidence that ancient Egypt was originally the remnant of an earlier highly sophisticated civilization Supports earlier speculations based on myth and esoteric sources with scientific proof from the fields of genetics engineering and geology Provides further proof of the connection between the Mayans and ancient Egyptians Links the mystery of Cro Magnon man to the rise and fall of this ancient civilization In the late nineteenth century French explorer Augustus Le Plongeon after years of research in Mexico's Yucatán Peninsula concluded that the

Mayan and Egyptian civilizations were related as remnants of a once greater and highly sophisticated culture. The discoveries of modern researchers over the last two decades now support this once derided speculation with evidence revealing that the Sphinx is thousands of years older than Egyptologists have claimed that the pyramids were not tombs but geomechanical power plants and that the megaliths of the Nabta Playa reveal complex astronomical star maps that existed 4 000 years before conventional historians deemed such knowledge possible. Much of the past support for prehistoric civilization has relied on esoteric traditions and mythic narrative. Using hard scientific evidence from the fields of archaeology, genetics, engineering and geology as well as sacred and religious texts, Malkowski shows that these mythic narratives are based on actual events and that a highly sophisticated civilization did once exist prior to those of Egypt and Sumer. Tying its cataclysmic fall to the mysterious disappearance of Cro Magnon culture, Before the Pharaohs offers a compelling new view of humanity's past.

*Reborn in Time* Tamar George, 2012-02-28 The History of Humanity remembered from Past Life regressions. The hierarchy of Atlantis and the teachings that lived on within the history of the Celts, Mayans and Egyptians. The teachings have returned to be recreated and activated.

*Painted Lady* Peter E. Abresch, 2003 While taking an Elderhostel trip, Jim Dandy sees an Indian woman, a shaman, fall from a rooftop and as he tries to discover if she was murdered, her ghost begins appearing in the paintings of his traveling companion.

*Dodee Fisher The Mayan Connection* Nick Carter, 1984

*A Correlation of the Mayan and European Calendars* John Eric Sidney Thompson, 1927

**NORTH CAUCASUS DOLMENS** Boris Loza, PH.D., 2020-02-26 Dolmens are mysterious stone structures scattered around previously inaccessible parts of Russia. Built by an ancient megalithic culture, these structures have been both revered and looted for centuries. Very little is known about these stone creations, though one thing is for sure: their power is undeniable. Join Boris Loza as he travels to his ancestral homeland to uncover and explore dolmens firsthand. Throughout this journey, you will discover the often hidden and surprisingly forbidden perspective about the mysterious dolmens, their ancient powers of fertility, healing, and spiritual connection. Discover the long lost technology that was likely used to build these structures, raising megatonne slabs of stone into perfect placements aligned with the stars. Chapters include: Ancient Mystic Megaliths, Who Built the Dolmens, Why the Dolmens were Built, Asian Connection, Indian Connection, Greek Connection, Olmec and Maya Connection, Sun Worshipers, Dolmens and Archaeoastronomy, Location of Dolmen Quarries, Hidden Power of Dolmens, and much more. Tons of illustrations. A fascinating book of little seen megaliths. Includes a 4 page color section.

*Representation of Deities of the Maya Manuscripts* Paul Schellhas, 1904

*The Great Cosmic Mother* Monica Sjoo, Barbara Mor, 2013-12-10

A deeply awakening yet radical exploration of the Goddess, the divine feminine, and the cultural forces that have formed the female condition. A must read for all feminists and spiritual seekers. One of the most important books I've ever read.

Alice Walker, Pulitzer Prize Winning author of *The Color Purple*. For readers of *Women Who Run with the Wolves*, *The Great Cosmic Mother* offers a sweeping overview of the Goddess, allowing us to reconnect within, tap deep into our innate wisdom, harness

the power of our mind body and spirit and discover what it truly means to be a woman and spiritual being Drawing on religious cultural and archaeological sources to recreate the Goddess movement that is humanity s heritage this classic spiritual guide illuminates how before the patriarchy women and their instinctual bodies were more connected to the earth and each other than ever previously known Women have had profound impact on modern society as we know it today harnessing their connection with the cycles of the moon and fertility of the earth to discover time cycles art agriculture language and other universal stapes previously believed to be invented by man The Great Cosmic Mother revives modern and ancient matriarchal history allowing all readers to truly understand women as the creators of culture innovators and peacemakers throughout time Through illustrations symbolism explorations of folklore and mythology this profound source of wisdom will empower you to find your divine feminine energy and unlock the goddess within
