

A photograph of three students in a library. A male student in the foreground is focused on a laptop screen. A female student to his right looks on, and another male student stands behind him, also looking at the screen. They are surrounded by bookshelves filled with books. A large, solid red rectangular overlay is positioned in the lower right quadrant of the image. On this red overlay, the text "Best Online MBA programs" is written in a bold, black, sans-serif font.

[The Aspen Institute Guide to Socially Responsible MBA Programs: 2008-2009](#) The Aspen Institute,2008-06-23 The Aspen Institute a premier non profit research organization for corporate social responsibility offers the first comprehensive guide to the world s leading global MBA programs in CSR an indispensable guide for prospective students universities hiring companies and libraries This guide provides an overview of how global MBA programs bring social impact management into their curricular and extracurricular programs Social impact management which includes environmental ethical and corporate governance issues is the field of inquiry at the intersection of business needs and wider societal concerns that reflects their complex interdependency Without an understanding of this interdependency neither business nor the society in which it operates can thrive Each year business schools from around the world strive to differentiate themselves and attract the best and the brightest future business leaders while prospective MBAs are looking for a program that will provide effective management skills to succeed in the changing face of business The bottom line is no longer exclusively dedicated to financial returns Rather business leaders must also consider the environmental and social impacts of their decisions in order to compete in today s marketplace The MBA schools that participate in the Aspen Institute s survey and are therefore highlighted in the Aspen Institute Guide for Socially Responsible MBA Programs 2008 2009 are leaders in integrating these issues into their MBA curricula

[MBA Programs 2010](#) Peterson's,2010-06-15 Peterson s MBA Programs provides comprehensive profiles of up to date information on full time part time joint degree Executive MBA and online graduate programs at more than 1 000 institutions including degrees comparable or equivalent to an MBA A wealth of facts and figures on admission and degree requirements entrance difficulty postgraduate hiring rates financial aid and contact information for approximately 4 000 graduate level business programs are all available within Peterson s guide It contains informative articles such as how an MBA can advance a career how to choose the right program and pay for it the advantages of getting your advanced business degree abroad information on the latest hiring and salary trends and application tips including guidance on how to write a winning essay Profiles of institutions are listed alphabetically within state province or country with all the fast facts an applicant needs plus two page narrative descriptions which contain even more in depth information on schools

[Elite MBA Programs at Public Universities](#) Mimi Wolverton,Larry Penley,2004-11-30 Business education programs should practice what they preach applying the principles of strategic analysis to play to their strengths and develop distinctive offerings that attract the most profitable customers in this case students faculty local communities and the institutions that support them financially With the costs of private MBA programs skyrocketing public universities which generally operate out of the spotlight of the Harvards and Whartons have a tremendous opportunity to distinguish themselves as centers of innovative high quality education Mimi Wolverton and Larry Penley conducted extensive research to identify the qualities of those public institutions across the country from the

University of Washington to Georgia Tech that have successfully established competitive advantages generally through a combination of cost leadership differentiation and focus Elite MBA Programs at Public Universities features 12 in depth case studies by senior representatives of the respective institutions detailing the process by which they developed and launched programs to raise their profiles and ultimately compete aggressively for talent and support From developing strategic alliances with local businesses and complementary academic departments to establishing online and overseas courses to investing in state of the art facilities these schools are setting new standards for business education and measuring the positive results for example in terms of increased funding higher faculty research productivity higher rankings and greater student diversity Wolverton and Penley frame the case studies by applying the concepts of strategy theory drawing lessons that can be applied in other educational institutions as well as for students of strategy and general readers interested in emerging trends in business education The result is a fascinating peek behind the scenes at the most innovative MBA programs as well as a rich canvas for observing the principles of strategic management in action

MBA Starter Kit
