Emotional Intelligence takes Daniel Goleman's revolutionary psychological theory and transforms it into practical self help for you to boost emotional awareness in any part of your life. It introduces you to the principles of EI explaining why the qualities of assertiveness, perception, motivation etc really matter if you want to live a fulfilled and successful life. The book takes an applied approach encouraging you first to understand your own emotional identity then to develop life skills like developing a sense of responsibility, overcoming anger and being more assertive. It will help you to use these skills to transform relationships with those around you either in the workplace or in personal relationships and will even offer insight into how to help your children develop emotional intelligence. It is full of interactive exercises, top tips and motivational quotes and offers plenty of further resources.

Emotional Intelligence Workbook: For Elementary and Middle Grade Children Better Youth Programs, 2019-03-02

Emotional Intelligence is a vital skill for children often overlooked. Not only is it overlooked but there is seldom good workbooks available aimed directly at children. This activity book is a treasure trove of wonderful exercises that get kids thinking about their own emotions, create self esteem, empower good behaviours and habits and develop consideration for others. Don't neglect to teach your kids a solid emotional intelligence to help them become strong to weather the storm coming up in teenage years. This section of the Youth Deployment Activity Guide is designed to give you additional age appropriate resources that are helpful in teaching your child about emotions. The emotional and social skills that are presented were written in order to help you grow your child. The sections include Intrapersonal Skills, Interpersonal Skills, Adaptability, Stress Management and General Mood. Each section is further divided into sub skills that address such things as Problem Solving, Happiness, Flexibility and other critical emotional and social competencies. We encourage you to use these activities throughout the deployment process and beyond.
