**Max Beckmann** Peter Selz, 1996 Even now some forty five years after his death the works created by Max Beckmann exert an intense influence on contemporary art His piercing self portraits his enigmatic yet compelling triptychs his incisive prints all have earned him a well deserved reputation as a creator of provocative work that is both emotionally and intellectually stimulating Born in Leipzig Germany in 1884 Beckmann lived an international life studying and working in Weimar Frankfurt Paris and Berlin Successful almost from his earliest days as a professional artist he exhibited work to acclaim throughout Europe and America With the Nazis rise to power his style and his subjects became dangerously out of fashion and he was forced into exile first to Amsterdam where he spent World War II and eventually to the United States where he died in New York in 1950 Although some scholars have categorized Beckmann as a German Expressionist he always resisted belonging to any group asserting that the greatest danger which threatens mankind is collectivization He also resisted abstraction remaining passionately committed to the figure throughout his long career His paintings have much to say about sex politics and religion which is no doubt why they so outraged the Nazis and no doubt why they have remained so absorbing to new generations of admirers About the Modern Masters series With informative enjoyable texts and over 100 illustrations approximately 48 in full color this innovative series offers a fresh look at the most creative and influential artists of the postwar era The authors are highly respected art historians and critics chosen for their ability to think clearly and write well Each handsomely designed volume presents a thorough survey of the artist s life and work as well as statements by the artist an illustrated chapter on technique a chronology lists of exhibitions and public collections an annotated bibliography and an index Every art lover from the casual museumgoer to the serious student teacher critic or curator will be eager to collect these Modern Masters And with such a low price they can afford to collect them all Max Beckmann Max Beckmann, 1931 **Max Beckmann** Max Beckmann, Zentrum Paul Klee, 2006 Max Beckmann Dream of Life ISBN 3 7757 1695 5 U S \$ 55 00 Hardcover 9 25 x 12 5 in 176 pgs 90 color and 100 b w Item June Art **Max Beckmann** Max Beckmann, Max Beckmann, Leipzig, 1884-New York, 1950 Max Beckmann, 1987 **Max Beckmann in New York** Sabine Rewald, 2016-10-19 In December 1950 the German Expressionist Max Beckmann set out from his Manhattan apartment to see his Self Portrait in Blue Jacket on view at The Met when he suffered a fatal heart attack Inspired by the poignant circumstances of the artist s death Max Beckmann in New York focuses on 40 beautifully illustrated works that Beckmann painted in the city during the last 16 months of his life as well as earlier works in New York collections An informative and accessible essay by art historian Sabine Rewald as well as detailed catalogue entries for each work and generous excerpts from the artist s letters diaries and ephemera illuminate Beckmann s difficult and tumultuous life and make this an essential volume for anyone interested in the artist MAX BECKMAN., 1968 **Max Beckmann Prints from the Museum of Modern Art** Max Beckmann, James L.
