**Bob Frost - A Trail Of Pennies** Stephen J. Napolitano, 2010-04-22 This collection of thoughts and ideas came from an outcry of pain and suffering Many people are in need to be listened to and call for action I just wanted to freestyle with writing and help those believe in themselves The more I wrote the larger the readership grew I received correspondence from all over on how a certain story helped them in some way Sometimes I was asked to write something to inspire an event that was coming up and it ended up inspiring the masses My intention was simple just to write what I felt on certain things and remind people how important and special they are There are many people that feel lost and need guidance and I assumed a role to simply guide those lost souls Most people I have encountered never were lost They were just sidetracked off their path or journey The snowball effect happened as I wrote more and these are a collection of my most favorite stories These aren't mine they belong to you the reader They have helped so many and I hope they help a new group of people by getting the word out Bob Frost was created a while ago for my love of Robert Frost I first heard Nothing Gold Can Stay from The Outsiders and fell in love with the poem I've been studying his many quotes and poems and made me look up to him as a writer mentor and even friend I took his name in celebration of his work and wishful thinking I joined an anonymous website to express some personal issues in my life and quickly found others just like me People had gotten to know me as Bob and I stuck with it My real name real life make no difference and I preferred to remain an unknown person writing to many people about what they wanted to talk about Some chose to write about happy things and some wanted to vent and get some answers To me it's the never ending quest for wisdom and knowledge I possess none or pretend that I do These stories are just my opinions not facts I don't have a degree in anything other than life I'm a middle class male in America trying to find my own way in life my path I don't boast a PhD in anything other than hard knocks I love to write and I enjoy helping others effortlessly If I don't have an answer for you I'll find out one and help you any way I can I'm here to live my life and walk my path What I didn't realize is that while I live my life I encounter others on my path Some are looking for guidance some are looking for a helping hand Some people just ignore and keep on walking I refuse to believe in that way of thinking As much as I argue with others about what I do I feel the personal need to listen to every voice that writes or talks to me It makes for a difficult life for me but the rewards mean more to me than anything You have to sacrifice so much to be happy You have to

sometimes put everything and everyone aside and believe me I did at first I lost a lot but later found out it was the others that lost me It took a long vigorous process for me to accept the fact that not everyone is going to accept me I ve tried my whole life to be accepted and I still feel as if I m not totally a part of society So I write on and hopefully help others feel comfortable and at ease I have always been an empath and that alone is a pain that I wouldn t wish on anyone Believe me it s mostly my own fault for being so na ve but like I stated before the rewards are limitless So many people have thanked me and told me stories of success The last couple of years I ve told that I should publish my writing and try to get this message out to as many people as I can After much thought I decided to go for it This book represents who and what Bob Frost is I hope I don t come off as pompous but I finally separated myself from my alter ego I am an individual and that s why I have come out and did this I don t use politics or religion in my writing I feel the human soul is enough of a religious and political struggle within you I don t use it a   **Lord, Make My Life a Miracle!** Ray & Anne Ortlund, 2010-03 I refuse to be an ordinary pastor I refuse to pastor an ordinary church With those words Ray Ortlund stood in front of his congregation and asked them to make a new commitment a commitment to Christ to the Body of Christ and to the world Christ died to save the 600 people who responded he named The Company of the Committed   **They Call Me Supermensch** Shep Gordon, 2016-09-20 In the course of his storied career as a manager agent and producer Shep Gordon has worked with and befriended some of the biggest names in the entertainment industry from Alice Cooper to Bette Davis Raquel Welch to Groucho Marx Blondie to Jimi Hendrix Sylvester Stallone to Salvador Dal Luther Vandross to Teddy Pendergrass He is also credited with inventing the celebrity chef and has worked with Nobu Matsuhisa Emeril Lagasse Wolfgang Puck Roger Verg and many others In this wonderfully engaging memoir the captivating entertainment legend recalls his life from his humble beginnings as a shy unambitious kid growing up on Long Island to his unexpected rise as one of the most influential and respected personalities in show business revered for his kindness charisma and fondness for a good time Gordon shares riotous anecdotes and outrageous accounts of his freewheeling globe trotting experiences with some of the biggest celebrities of the past five decades including his first meeting with Janis Joplin in 1968 when the raspy singer punched him in the face Told with incomparable humor and heart They Call Me Supermensch is a sincere hilarious behind the scenes look at the worlds of music and entertainment from a consummate Hollywood insider   **The Independent** , 1919   **The National Farm Journal** , 1930   **The Congregationalist** , 1912   **The Independent** William Livingston, 1919   **The Churchman** , 1890   **The Renewal** Anne Ortlund, Raymond C.
