## **Making Majorities:**

Making Majorities Dru C. Gladney, 1998 Majorities are made not born This book argues that there are no pure majorities in the Asia Pacific region broadly defined nor in the West and challenges the thesis that civilizations are composed of more or less homogeneous cultures The 14 contributors argue that emphasis on minority majority rights is based on uncritically accepted views of purity numerical superiority and social consensus Mexico-United States Interparliamentary Conference, 1999

**Supermajorities in Constitutional Courts** Mauro Arturo Rivera León, 2024-04-05 Constitutional adjudication is a subject of fascination for scholars Judges may annul the will of a democratically elected Parliament in counter majoritarian fashion Although conceived as a remedy against majoritarianism judges also decide cases by voting Whether they do so through simple majorities or supermajorities is not trivial The debate around supermajorities has awakened anew amidst theories of judicial limitation and new conceptions of judicial review This book advances our knowledge of systems employing supermajorities in constitutional adjudication by performing a comparative analysis of ten jurisdictions and twelve supermajority models It introduces a typology of the main models of institutional design the reasons leading policymakers to establish them and the impact supermajorities have on courts It explores the question of whether supermajorities grant deference and foster consensus or if they disable constitutional courts from exercising judicial review By analyzing the history practice and effects of supermajority rules in courts this book contributes to an ongoing conversation on the democratic implications of voting protocols in constitutional courts It will be a valuable resource for policy makers scholars and researchers working in the areas of comparative constitutional law and constitutional politics The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution CC BY 4.0 license

**Legislative Politics in Latin America** Scott Morgenstern, Benito Nacif, 2002-03-04 This theoretically inspired study explores legislative politics in Argentina Brazil Chile and Mexico Instead of beginning with an assumption that these legislatures are either rubber stamps or obstructionist bodies the chapters provide new data and a fresh analytical approach to describe and explain the role of these representative bodies in these consolidating democracies For each country the book provides three chapters dedicated in turn to executive legislative relations the legislatures organizational structure and the policy process

**Thirty-eighth Mexico-United States Interparliamentary Conference, Savannah, Georgia, June 25-27, 1999** United States. Delegation to the Mexico-United States Interparliamentary Conference, 1999

*Rethinking the Union of Europe Post-Crisis* Giandomenico Majone, 2014-04-24 In this important new book Giandomenico Majone examines the crucial but often overlooked distinction between the general aim of European integration and the specific method of integration employed in designing an ill considered monetary union Written with the author's customary insight and precision this highly topical and provocative book reviews the Union's leaders tradition of pushing through ambitious projects without considering the serious hurdles that lie in the way of their success Regional and European integration topics

are discussed including credibility of commitments delegation of powers bargaining and influence activities adverse selection and moral hazard The author also offers a deeper examination of the specific crisis of monetary integration arguing that it might be more effectively achieved with inter jurisdictional competition and suggesting how integration should be managed in the globalized world

**The Cultural Defense of Nations** Liav Orgad, 2015-11-05 The Cultural Defense of Nations presents a timely thought provoking thesis on some of the most pressing issues of our time global immigration majority groups and national identity Never in human history has so much attention been paid to human movement Global migration yields demographic shifts of historical significance profoundly shaking up world politics as has been seen in the refugee crisis the Brexit referendum and the 2016 U S election The Cultural Defense of Nations addresses one of the greatest challenges facing liberalism today is a liberal state justified in restricting immigration and access to citizenship in order to protect its majority culture Liberal theorists and human rights advocates recognize the rights of minorities to maintain their unique cultural identity but assume that majorities have neither a need for similar rights nor a moral ground for defending them The majority culture so the argument goes can take care of itself However with more than 250 million immigrants worldwide majority groups increasingly seek to protect what they consider to be their national identity In recent years liberal democracies have introduced proactive immigration and citizenship policies that are designed to defend the majority culture This book shifts the focus from the prevailing discussion of cultural minority rights and for the first time addresses the cultural rights of majorities It proposes a new approach by which liberal democracies can welcome immigrants without fundamentally changing their cultural heritage forsaking their liberal traditions or slipping into extreme nationalism Disregarding the topic of cultural majority rights is not only theoretically wrong but also politically unwise With forms of majority nationalism rising and the growing popularity of extreme right wing parties in the West time has come to liberally address the new challenge

*Congressional Record* United States. Congress, 1979 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

**The Political Theory of Conservative Economists** Conrad Waligorski, 1990 A study of the political theory that underlies the conservative economic thought of such economists as Milton Friedman James Buchanan and Friedrich Hayek and its implications for public policy The author analyzes the political content of ideas that justify a laissez faire policy

**Melayu** Maznah Mohamad, 2013-07-01 People within the Malay world hold strong but diverse opinions about the meaning of the word Melayu which can be loosely translated as Malayness Questions of whether the Filipinos are properly called e Malaye or the Mon Khmer speaking Orang Asli in Malaysia can generate heated debates So too can the question of whether it is appropriate to speak of a kebangsaan Melayu Malay as nationality as the basis of membership within an aspiring postcolonial

nation state a political rather than a cultural community embracing all residents of the Malay states including the immigrant Chinese and Indian population In *Melayu The Politics Poetics and Paradoxes of Malayness* the contributors examine the checkered wavering and changeable understanding of the word Melayu by considering hitherto unexplored case studies dealing with use of the term in connection with origins nations minority majority politics Filipino Malays Riau Malays Orang Asli Straits Chinese literature women s veiling vernacular television social dissent literary women and modern Sufism Taken as a whole this volume offers a creative approach to the study of Malayness while providing new perspectives to the studies of identity formation and politics of ethnicity that have wider implications beyond the Southeast Asian region

The Two Majorities and the Puzzle of Modern American Politics Byron E. Shafer, 2003 Where did the Era of Divided Government come from What sustains split partisan control of the institutions of American national government year after year Why can it shift so easily from Democratic or Republican presidencies coupled with Republican or Democratic Congresses How can the vast array of issues and personalities that have surfaced in American politics over the last forty years fit so neatly within indeed reinforce the sustaining political pattern of our time These big questions constitute the puzzle of modern American politics The old answer a majority and a minority party plus dominant and recessive public issues will not work in the Era of Divided Government Byron Shafer a political scientist who is regarded as one of the most comprehensive and original thinkers on American politics provides a convincing new answer that has three major elements These elements in combination not divided government as a catch phrase are the real story of politics in our time The first element is comprised of two great sets of public preferences that manifest themselves at the ballot box as two majorities The old cluster of economic and welfare issues has not so much been displaced as simply joined by a second cluster of cultural and national concerns The second element can be seen in the behavior of political parties and party activists whose own preferences don t match those of the general public That public remains reliably left of the active Republican Party on economic and welfare issues and reliably right of the active Democratic Party on cultural and national concerns The third crucial element is found in an institutional arrangement the distinctively American matrix of governmental institutions which converts those first two elements into a framework for policymaking year in and year out In the first half of the book Shafer examines how dominant features of the Reagan first Bush Clinton and second Bush administrations reflect the interplay of these three elements Recent policy conflicts and institutional combatants in Shafer s analysis illuminate this new pattern of American politics In the second half he ranges across time and nations to put these modern elements and their composite pattern into a much larger historical and institutional framework In this light modern American politics appears not so much as new and different but as a distinctive recombination of familiar elements of a political style a political process and a political conflict that has been running for a much much longer time

### **Making Majorities Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Making Majorities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Majorities has opened up a world of possibilities. Downloading Making Majorities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Majorities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Majorities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Majorities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Majorities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Majorities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Making Majorities Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Majorities is one of the best book in our library for free trial. We provide copy of Making Majorities in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Majorities. Where to download Making Majorities online for free? Are you looking for Making Majorities PDF? This is definitely going to save you time and cash in something you should think about.
