material that surrounds Wright's text [Native Sons](#) James Baldwin, Sol Stein, 2005-07-26 James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays *Notes of a Native Son* established his reputation in 1955. No one was more pleased by the book's reception than Baldwin's high school friend Sol Stein. A rising New York editor, novelist, and playwright, Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print. Now in this fascinating new book, Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters, photos, inscriptions, and an illuminating memoir of the friendship that resulted in one of the classics of American literature. Included in this book are the two works they created together: the story *Dark Runner* and the play *Equal in Paris*, both published here for the first time. Though a world of difference separated them, Baldwin was black and gay, living in self-imposed exile in Europe; Stein was Jewish and married with a growing family to support. The two men shared the same fundamental passion: Nothing mattered more to either of them than telling and writing the truth, which was not always welcome. As Stein wrote Baldwin in a long, heartfelt letter, "You are the only friend with whom I feel comfortable about all three: heart, head, and writing." In this extraordinary book, Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin's *Notes of a Native Son*, in which Baldwin's main themes are illuminated. A literary event published to honor the eightieth anniversary of James Baldwin's birth, *Native Sons* is a celebration of one of the most fruitful and influential friendships in American letters. [Native Son](#) Richard Wright, 2022-01-25 Right from the start, *Bigger Thomas* had been headed for jail. It could have been for assault or petty larceny by chance; it was for murder and rape. *Native Son* tells the story of this young black man caught in a downward spiral after he kills a young white woman in a brief moment of panic. Set in Chicago in the 1930s, Wright's powerful novel is an unsparing reflection on the poverty and feelings of hopelessness experienced by people in inner cities across the country and of what it means to be black in America. [\*\*Richard Wright's Native Son\*\*](#) Andrew Warnes, 2007 Richard Wright's *Native Son* (1940) is one of the most violent and revolutionary works in the American canon. Controversial and compelling, its account of crime and racism remain the source of profound disagreement both within African American culture and throughout the world. This guide to Wright's provocative novel offers an accessible introduction to the text and contexts of *Native Son*, a critical history surveying the many interpretations of the text from publication to the present; a selection of reprinted critical essays on *Native Son* by James Baldwin, Hazel Rowley, Antony Dawahare, Claire Eby, and James Smethurst; providing a range of perspectives on the novel and extending the coverage of key critical approaches identified in the survey section; a chronology to help place the novel in its historical context; suggestions for further reading.
