The primary principle is the hermeneutical triad which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources as well as the sources cited throughout and includes a revised chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

In lucid and readable style, Dr. Grant begins his book with a study of the interpretation of the Old Testament by Jesus and Paul. He then continues with the viewpoints of other great thinkers of the New Testament and carries on the account through the second Christian century. Provided by publisher.

*History of Biblical Interpretation, Volume 3* Henning Graf Reventlow, 2009. Volume 3 of *History of Biblical Interpretation* deals with an era of Renaissance, Reformation, and humanism characterized by major changes such as the rediscovery of the writings of antiquity and the newly invented art of printing. These developments created the context for one of the most important periods in the history of biblical interpretation, one that combined both philological insights made possible by the now accessible ancient texts with new theological impulses and movements. As representative of this period, this volume examines the lives and teaching of Johann Reuchlin, Erasmus, Martin Luther, Philipp Melancthon, John Calvin, Thomas Muntzer, Hugo Grotius, and a host of other influential exegetes.

*The Divinity School* University of Chicago. Divinity School, 1893.
