New Middle Class And Democracy In Global Perspective:

The New Middle Class and Democracy in Global Perspective R. Glassman, 1997-06-03 High technology capitalism utilizes computers robots and global information networks It has engendered new classes technocrats bureaucrats service and office workers who will impact the structure and values of society The question most central for us is that of the survival of democracy on this new base Will the New Middle Class become the carrying class for a modern form of democracy utilizing the sophisticated communications technology or will democracy decline under the weight of the managerial and technocratic strata essential to the functioning of the modern economic and political institutions The New Middle Class and

Democracy in Global Perspective Ronald M. Glassman, 1997 There is also the question of wealth differential which tore apart earlier capitalist societies Will the selfish accumulation of wealth destabilize high tech capitalism as well And finally technological totalitarianism 1984 also forms part of the historical potential **China's Emerging Middle Class** Cheng
