Ceremonies of the Liturgical Year Peter J. Elliott, 2010-08-06 The liturgy of the Catholic Church is the action by which Jesus Christ unites the members of the Church in glorifying God It makes people holy through words music action and signs The Eucharist is intended to be the most powerful means of union with our God with the saints in heaven and with each other and is to be a foretaste of the praise of God given in joy by the saints in heaven As we move through the whole of the year the Church is united with the mysteries of Christ s earthly life so as to come closer to her Lord and Saviour Monsignor Peter Elliott provides scholarship and many years experience and love of the liturgy His previous work *Ceremonies of the Modern Roman Rite* has helped many people to celebrate our liturgy with attention and devotion This present work is a guide to the most important moments of the Church year from Advent and Christmas to Holy Week Corpus Christi and to the Solemnity of Christ the King His book has been a long awaited guide to those who wish to celebrate the events of the Church year with dignity devotion and deep faith Monsignor Elliot is one of the most insightful and reliable liturgists writing today The rubrics of the Roman Rite are not self explaining but with Elliot s work safely in reach a generation of liturgists raised without a rich training in tradition can confidently approach the Ritual and be more respectful of the faithful s fundamental right to sound worship Dr Edward Peters Institute for Pastoral Theology Ave Maria University      *Sunday & Holyday Liturgies Cycle C* Flor McCarthy, 1985      *Sunday & Holyday Liturgies Cycle A* Flor McCarthy, 1983      **New Sunday and Holy Day Liturgies** Flor McCarthy, 1998      *Like a Hammer Shattering Rock* Megan McKenna, 2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels

that we've stopped listening and integrating their wisdom into our everyday lives. Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world. While some argue for the development of new gospels for the 21st century, McKenna argues that we haven't paid due attention to the ones we already have; in many cases, we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas. McKenna breaks it down, gospel by gospel, and shows us how the lessons of Jesus's apostles continue to resonate.
