Rohrbaugh, 2006-10-15 The Bible is not a Western book and the world of the New Testament is not our world The New Testament world was preindustrial Mediterranean and populated mostly by nonliterate peasants who depended on hearing these writings read aloud Only a few of the literate elite were part of the Jesus movement and they knew nothing of either modernity or the Western culture we inhabit today This means that for all North Americans reading the New Testament is always an exercise in cross cultural communication Travelers diplomats and exchange students take great pains to bridge the cultural gaps that cloud mutual understanding But North American readers habitually suspend cross cultural awareness when encountering the Bible The result is that we unwittingly project our own cultural understandings onto the pages of the New Testament Rohrbaugh argues that to whatever degree we can bridge cultural gaps between ourselves and New Testament writers we learn to value their intentions rather than the meanings we create from their words Rohrbaugh s insightful interpretations of Gospel passages go a long way toward helping to span distances between the New Testament world and the present *The World of the New Testament* Joel B. Green, Lee Martin McDonald, 2013-08-15 This volume addresses the most important issues related to the study of New Testament writings Two respected senior scholars have brought together a team of distinguished specialists to introduce the

The Gospel of Matthew in its Roman Imperial Context John K. Riches, David C. Sim, 2005-09-14 In what sense does Matthew's Gospel reflect the colonial situation in which the community found itself after the fall of Jerusalem and the subsequent humiliation of Jews across the Roman Empire To what extent was Matthew seeking to oppose Rome's claims to authority and sovereignty over the whole world to set up alternative systems of power and society to forge new senses of identity If Matthew's community felt itself to be living on the margins of society where did it see the centre as lying In Judaism or in Rome And how did Matthew's approach to such problems compare with that of Jews who were not followers of Jesus Christ and with that of others Jews and Gentiles who were followers This is volume 276 in the Journal for the Study of the New Testament Supplement series and is also part of the Early Christianity in Context series

Anthropology and Biblical Studies, 2019-05-21 This volume

presents the findings of an international research symposium held at St Andrews University Scotland in July 2003 Contributors include both biblical scholars and anthropologists The essays presented variously explore and review interdisciplinary links innovations and developments between anthropology and biblical studies in reference to interpretation of both the OT and NT and pseudepigraphal works Explored are methodological issues the use of anthropological concepts in biblical studies identity purity boundaries virtuoso religion spiritual experience sacred space and more field orientated work of bible translators in different cultures Jesus and the Peasants Douglas E. Oakman, 2008-01-01 While some of the chapters focus on systemic issues others probe the depths of individual Gospel passages The author's keen eye for textual detail archaeological data comparative materials and systemic overviews make this volume a joy for anyone interested in understanding Jesus in his own context The volume is organized into three interrelated parts 1 political economy and the peasant values of Jesus 2 the Jesus traditions within peasant realities and 3 the peasant aims of Jesus *The Turning Point in the Gospel of Mark* Gregg S. Morrison, 2014-09-24 Based on linguistic and thematic links in the narrative The Turning Point in the Gospel of Mark argues that the twin pericopae of Peter's confession 8 27 38 and the Transfiguration 9 2 13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1 1 13 and functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14 61 62 15 39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8 31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9 1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8 34 38 is to follow

Anti-Roman Cryptograms in the New Testament Norman A. Beck, 2010 The first basic thesis of Anti Roman Cryptograms in the New Testament Hidden Transcripts of Hope and Liberation is that the Jesus of history and his earliest and closest followers during his lifetime and during the decades after he had been crucified by the Romans had not only a deep longing for eternal life with God beyond the limits of this world but also a strong desire for liberation from Roman political economic and social oppression The second basic thesis of Anti Roman Cryptograms in the New Testament is that within the Christian Scriptures there are more hidden transcripts coded messages anti Roman cryptograms of hope and liberation for freedom now within this life than we have realized throughout most of the history of interpretation Hidden transcripts of hope and liberation are coded so that oppressed people are able to communicate to their fellow oppressed people in ways in which their message and their intent are shielded from the perceptions of their oppressors These messages by the Jesus of history and by the writers of New Testament and related literature use the language of faith of salvation of Deity and of adversaries

of Deity giving words that are commonly used by the oppressed people new and double meanings Within interaction with other scholars who are publishing studies of hidden transcripts this book is an analysis of hidden transcripts within each of the New Testament documents The book is designed to be used in New Testament Studies courses at undergraduate and or graduate levels by study groups and by all persons who desire a more adequate understanding of the Jesus of history his closest followers and their oral and written communications during the first three centuries C E *New Testament History, Culture, and Society* Lincoln Blumell, 2019-05-13 This volume offers valuable perspectives from biblical scholars on the background of the New Testament texts including the Jewish and Greco Roman cultures of the time It ranges from the law of Moses and intertestamental period to the First Jewish Revolt of AD 66 73 and the canonization of the New Testament Over forty New Testament scholars and experts contributed to this comprehensive volume Here is just a small sampling of those writers Robert L Millet John W Welch Andrew C Skinner Kent P Jackson Thomas A Wayment Terry B Ball Noel Reynolds and Frank F Judd The book is divided into several themes including Jesus in the Gospels the Apostle Paul New Testament issues and contexts and what transpired after the New Testament *The Encyclopedia of Sunday Schools and Religious Education* John Thomas McFarland, Benjamin Severance Winchester, 1915 *The Methodist Review*, 1916 **Oxford University Gazette** University of Oxford, 1922 **Catalogue of Ohio Wesleyan University for ..., Delaware, Ohio** Ohio Wesleyan University, 1925 **The Church School Journal**, 1911 *Writing on the Gospel of Mark* William Telford, 2009 This thorough manual for advanced students and their supervisors and anyone researching or writing on the Gospel of Mark is the opening volume in an important new series of Guides to Advanced Biblical Research Together with an essay on the current state of research and a discussion of the future of Markan study it provides a chrestomathy of samples of Markan research together with a review of recent dissertations and a full annotated bibliography *Catalogue for Allegheny College*, 1903 **Catalogue of Yale University** Yale University, 1912
