Transnational and Postcolonial Vampires T. Khair, 2012-11-14 Throughout the ages vampires have transgressed the borders of gender race class propriety and nations This collection examines the vampire as a postcolonial and transnational phenomenon that maps the fear of the Other the ravenous hunger of Empires and the transcultural rifts and intercultural common grounds that make up global society today

The Truths of Monsters Ildikó Limpár, 2021-03-18 As monster theory highlights monsters are cultural symbols guarding the borders that society creates to protect its values and norms Adolescence is the time when one explores and aims at crossing borders to learn the rules of the culture that one will fit into as an adult Exploring the roles of monsters in coming of age narratives and the need to confront and understand the monstrous this work explores recent

developments in the presentation of monsters such as the vampire the zombie and the man made monster in maturation narratives then moves on to discuss monsters inhabiting the psychic landscapes of child characters Finally it touches on monsters in science fiction in which facing the monstrous is a variation of the New World narrative Discussions of novels by M R Carey Suzanne Collins Neil Gaiman Theodora Goss Daryl Gregory Sarah Maria Griffin Seanan McGuire Stephenie Meyer Patrick Ness and Jon Skovron are complemented by analysis of television series such as Buffy the Vampire Slayer and Westworld

Gothic Shakespeares John Drakakis, Dale Townshend, 2008-12 In *Gothic Shakespeares* Shakespeare is considered alongside major Gothic texts and writers from Horace Walpole Ann Radcliffe Matthew Lewis and Mary Shelley up to and including contemporary Gothic fiction and horror film This volume offers a highly original and truly provocative account of Gothic reformulations of Shakespeare and Shakespeare's significance to the Gothic

Love, Language, Place, and Identity in Popular Culture María Ramos-García, Laura Vivanco, 2020-01-31 *Love Language Place and Identity in Popular Culture* Romancing the Other explores the varied representations of Otherness in romance novels and other fiction with strong romantic plots Contributors approaches range from sociolinguistics to cultural studies and the texts analyzed are set on four continents with particular emphasis on Caribbean and Atlantic islands What all the essays have in common is the exploration of representations of the Other be it in an inter racial or inter cultural relationship Chapters are divided into two parts the first examines place travel history and language in 20th century texts while the second explores tensions and transformations in the depiction of Otherness mainly in texts published in the early 21st century This book reveals that even at the end of the 20th century these texts display neocolonialist attitudes towards the Other While more recent texts show noticeable changes in attitudes these changes can often fall short as stereotypes and prejudices are often still present just below the surface in popular novels The understudied field of popular romance in which the Other is frequently present as a love interest proves to be a fruitful area in which to explore the potential and the realities of the treatment of Otherness in popular culture Scholars of literature communication romance and rhetoric will find this book particularly useful
