

# How to Write a Fantasy Series: Do's and Don'ts

## Don't

### **Be unoriginal with fantasy tropes**

What makes your world or mythical creatures unique?

### **Use clichés without your own twist**

A portal's working should be credible for your world.

### **Use stock characters with no detail**

Avoid blank hero-orphans or endlessly wise and capable, staff-carrying wizards.

## Do

### **Make tropes your own**

E.G. J.K. Rowling makes broomsticks sports equipment.

### **Update clichéd plot devices**

Rowling's portal is an ordinary, real-world train station.

### **Make characters believable**

Give each character motivations, goals, strengths, fears and flaws. Even Gandalf makes mistakes.
