## **Make Your Own Museum:**

**Make Your Own Museum** Mick Manning, Brita Granström, 2003 This book is packed with ideas for things to collect and ways to make amazing displays in your very own museum Ages 7     *The Delirious Museum* Calum Storrie, 2007-10-24 The Delirious Museum is a remarkable illuminating work which presents an original view of the idea of the museum in the twenty first century re imagining the possibilities for museums and their displays and re examining the blurred boundaries between museums and the cities around them On his quest for the Delirious Museum Storrie takes a journey that begins in the Louvre and continues through Paris London Los Angeles and Las Vegas He encounters on his way the museum architecture of John Soane Carlo Scarpa and Daniel Libeskind the exhibitions of El Lissitzky and of Frederick Kiesler and the work of artists as varied as Marcel Duchamp Andy Warhol Marcel Broodthaers Sophie Calle and Mark Dion     **Representations of Art and Art Museums in Children's Picture Books** Perry Nodelman, 2024-10-17 What happens when the assumptions and practices of museum curators and art educators intersect with the assumptions and practices of publishing for children This study explores how over three hundred children s picture books most of them published in the last three decades in English introduce children to art and art museums It considers how the books emerge from and relate to a range of theories and assumptions about childhood and childhood development children s literature and culture illustration visual art museology and art education As well as examining how these theories and assumptions influence what picture books teach young readers about visiting museums and about how to look at and think about art it examines which artists and artworks appear most often in picture books and offers a survey of different kinds of art related picture books ones that claim to be purely informational ones that make looking at art a game or a puzzle ones in which children visit art museums and many more Since the books all include reproductions of or allusions to museum artworks the study also considers the problems illustrators face in depicting museum artworks in illustrations in a different style     **Museum Work** , 1921 List of members in v 3 4 and 8     **The World's 100 Weirdest Museums** Geoff Tibballs, 2016-10-20 When we think of the world s great museums we tend to think of the Louvre the Guggenheim or the Victoria and Albert We do not immediately think of the Dog Collar Museum the Kansas Barbed Wire Museum the Museum of Broken Relationships or Barney Smith s Toilet Seat Art Museum Yet scattered across the globe are museums dedicated to every conceivable subject from bananas to Bigfoot lawnmowers to leprechauns teapots to tapeworms mustard to moist towelettes and pencils to penises Many are serious collections housed in grand buildings others are located in tiny premises and are open to visitors by appointment only often the result of one person s crazy lifetime obsession This book lists the world s 100 weirdest museums in order of quirkiness encompassing such delights as The Museum of Witchcraft in Cornwall a museum in Kentucky that houses 800 ventriloquists dolls the Museum of Bad Art in Massachusetts the Paris Sewer Museum the French Fry Museum in Bruges the Museum of Contraception and Abortion in Vienna the Salt and Pepper Shaker Museum in Tennessee Japan s Momofuku Ando Instant

Ramen Museum quite possibly the world's only museum devoted to instant noodles and the Kunstkamera in St Petersburg home to Peter the Great's collection of oddities including deformed fetuses and the decapitated head of a love rival preserved in vinegar After all what holiday is complete until you have seen a 300 year old decapitated human head in a jar Each entry will include address contact and admission details so the next time you are in Berlin there is no excuse for missing out on a visit to the Currywurst Museum the world's leading museum dedicated to sausages in hot ketchup

**A Guide to Great Field Trips** Kathleen Carroll, 2014-10-14 The world is filled with educational possibilities use it This valuable resource explores every aspect of field trips including their foundation in caring and curiosity how leaders can establish and achieve sound learning goals and how to avoid the headaches that too often accompany dozens of children and chaperones unleashed in a new environment Properly organized a field trip can provide students with opportunities to develop lifelong learning skills increase personal responsibility work cooperatively with others and expand their worldviews And field trips need not be full day affairs to be valuable even a short trip can provide a much richer learning experience than can be found though standard in class instruction and serve as a welcome break from the weekday routine A Guide to Great Field Trips outlines more than 200 ideas for valuable trips within the school around the building and playground and through the local neighborhood It even offers ideas for virtual field trips on the Web Readers can find tips on handling dozens of logistical issues related to field trips including safety transportation permissions fundraisers grants chaperones meals and more

This Way - That Way Keith Godard, 2001-09 Keith Godard b 1940 is one of the most unusual personalities on the graphic design scene His New York practice deals mainly with exhibition design His posters also create sensations on a regular basis All his work shares a striking degree of cheerfulness in form and colour and a sense of humour that gives a hint of Godard's British origins Despite this the designer is committed to function and reduced graphics He trusts the power of the idea This small format book is conceived as something that will inspire designers with courage
