Making English Work For You

Jianjun Gao

Making English Work For You:

Making English Official Katherine S. Flowers, 2024-01-18 In communities across the US people wrestle with which languages to use and who gets to decide Despite more than 67 million US residents using a language other than English at home over half of the states in the US have successfully passed English only policies Drawing on archives and interviews this book tells the origin story of the English only movement as well as the stories of contemporary language policy campaigns in four Maryland county governments giving a rare glimpse into what motivates the people who most directly shape language policy in the US It demonstrates that English only policies grow from more local levels rather than from nationalist ideologies where they are downplayed as harmless community initiatives but result in monolingual approaches to language remaining increasingly pervasive This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details

The World's Work, 1924 *Making English Work for You* Hoyt, 1992-01-01 This book is designed to build language skills by presenting the rules of English logically The student will learn the basic rules that writers need and the reasons behind the rules

A New English Translation of the Septuagint Albert Pietersma, Benjamin G. Wright, 2007-11-02 The Septuagint the ancient Greek translation of Jewish sacred writings is of great importance in the history of both Judaism and Christianity The first translation of the books of the Hebrew Bible plus additions into the common language of the ancient Mediterranean world made the Jewish scriptures accessible to many outside Judaism Not only did the Septuagint become Holy Writ to Greek speaking Jews but it was also the Bible of the early Christian communities the scripture they cited and the textual foundation of the early Christian movement Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint's influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap

Collier's, 1922 *Good English for Everyone* C. L. Bushnell, 1926 [Collins Cobuild Advanced Dictionary of English](#) Harper Collins Publishers, 2016-02-17 This dictionary of American English is designed to help learners write and speak accurate and up to date English Ideal for upper intermediate and advanced learners of English Based on the Collins 4.5 billion word database the Collins Corpus Up to date coverage of today's English with all words and phrases explained in full sentences Authentic examples from the Collins Corpus show how English is really used Extensive help with grammar including plural forms and verb inflections Fully illustrated Word Web and Picture Dictionary boxes provide additional information on vocabulary and key concepts Vocabulary building features encourage students to improve their accuracy and fluency Word Partnership notes highlight important collocations Thesaurus entries offer synonyms and antonyms for
