Nationalism Reader:

The Nationalism Reader Omar Dahbour, Micheline Ishay, 1995-02 The selection of texts from Rousseau to Khomeini sheds new theoretical light on the study of nationalism presenting conflicting political perspectives through the ages from around the globe

Constructing the Nation Mariana Ortega, Linda Martín Alcoff, 2009-10-23 Philosophers and social theorists of color examine how racism can creep into defensive forms of nationalism

The Ethnicity Reader Maria Montserrat Guibernau i Berdún, Montserrat Guibernau, John Rex, 2010-01-11 Drawing on a wide range of examples the selections included examine theories of nationalism and consider issues of ethnic integration and conflict in the USA China Britain Germany Quebec Scotland Galicia Catalonia Kurdistan Iran Iraq and Somaliland among other countries and regions The reader however does not confine itself to the study of nationalism Many of the selections deal with the role of ethnicity in groups which are not nationalist at all but for which ethnicity is an important factor in the process of migration The concept of ethnicity is therefore discussed both in relation to group rights in existing nation states and in relation to transnational communities in a globalized world

The History of Human Rights Micheline Ishay, 2008-06-02 Ishay recounts the struggle for human rights across the ages from the Mesopotamian Codes of Hammurabi to the era of globalization She illustrates how the history of human rights has evolved from one era to the next through texts cultural traditions creative expression

Nations and Nationalism Philip Spencer, Howard Wollman, 2005 Nationalism is a key area of political theory with a huge amount of literature available This text includes both the core texts in this area and a selection of less mainstream pieces with the aim of engaging readers with contemporary debates which have reconfigured understanding of nationalism
