Indian-made Erika Marie Bsumek, 2008 In works of silver and wool the Navajos have established a unique brand of American craft And when their artisans were integrated into the American economy during the late nineteenth century they became part of a complex cultural and economic framework in which their handmade crafts conveyed meanings beyond simple adornment Bsumek unravels the layers of meaning that surround the branding of Indian made When Navajo artisans produced their goods collaborating traders tourist industry personnel and even ethnologists created a vision of Navajo culture that had little to do with Navajos themselves And as Anglos consumed Navajo crafts they also consumed the romantic notion of Navajos as primitives perpetuated by the marketplace These processes of production and consumption reinforced each other creating a symbiotic relationship and

influencing both mutual Anglo Navajo perceptions and the ways in which Navajos participated in the modern marketplace Ultimately Bsumek shows that the sale of Indian made goods cannot be explained solely through supply and demand It must also reckon with the multiple images and narratives that grew up around the goods themselves integrating consumer culture tourism and history to open new perspectives on our understanding of American Indian material culture BOOK JACKET

The Journal of Arizona History ,2014 *American Indian History* Carole A. Barrett,2003 Surveys Native American history from ancient times to the twentieth century Entries cover specific topics and incidents from a Native American perspective including categories such as court cases and legal decisions wars and battles reservations and relocation organizations religion and missionary activities national government and legislation native government treaties and protest movements **The People Next Door** George Creel,1926 **New Westers** Michael L. Benson,2008 Colcha embroidery growing out of a Spanish love of needlework flourished in the hands of colonial women in the isolated province of New Mexico They wished to add not only warmth but beauty to their otherwise practical bedding They worked their brightly dyed homespun yarn in a long couching stitch to create the flowing needlework that came to be called colcha embroidery Women stitched fanciful designs not only on cloth treasures to be passed through generations but on everyday objects that were brightened by colcha Into their embroidery they sewed their place in history as independent women proud of their Hispanic heritage and ability to bring beauty to articles that helped them survive in the often harsh and dangerous environment A century later colcha was on its way to oblivion Like many traditional crafts this art form that required so much skill and patience was becoming obsolete as inexpensive and abundant commercial cloth modern styles and machine made products became more desirable and available Fast forward to the 1930s and the Arte Antiguo a colcha club founded by twelve Hispanic women in the Espanola Valley of

Northern New Mexico who gather monthly to socialize and invigorate the fading art form Spearheaded by the vibrant Teofila Ortiz Lujan the club heroically sought to rescue colcha and bring it back to its rightful place as a cherished custom Featuring exquisite examples from museums and private collections New Mexico Colcha Club looks at the historical roots of colcha its role in the lives of New Mexican women and examines the various styles that evolved through its history At the core of the book though is the ever lively Teofila leading the women of the Arte Antiguo in their very personal mission to save for posterity the tradition that had so sustained them culturally Traveling to churches to examine vintage altar cloths sketching old patterns and hunting through attics and archives in search of examples of the antique embroidery the Arte Antiguo endeavored to save colcha from extinction and initiate a revival of the beloved style Esther Lujan Vigil daughter of Teofila is the inheritor of her mother s vision Through her own embroidery and instruction of others in the craft she continues Teofila s leadership of colcha s renaissance and carries on the rich cultural historical and artistic tradition
