#Lifechange June Breland Whatley MA, 2016-08-11 LifeChange is based on a dream from the Lord that was set in a very dark dreary dystopian world The narrator gives a glimpse of life lived in darkness Join in the journey and let the dream reveal the struggles that some face from every day You will see how some people interpret the light as intrusive and something to be feared As you maneuver through the dream from a place of stark existence to the point where some of these sojourners have joined the light You will come to realize that even then the warfare is not over From their struggles you can do the following See how to take refuge in the light rather than in the darkness Learn how to fight the challenges of daily Christian life when you don't always feel victorious Learn how to apply scriptural strategies of warfare that may have previously eluded you Come to better understand the armor of God Learn how to build use and strengthen your shield of faith Know that you can make scripture and prayer mighty weapons of spiritual warfare Realize the simplicity and the depth of prayer See how songs and music can build you up spiritually and help you fight your battles Understand and internalize that God doesn't want you to live under the weight of constant attacks or defeat Grow in your understanding of the reality of God's kingdom Allow LifeChange to show you some tools to use to be victorious in your Christian walk

Sexual Exploitation of Teenagers Jennifer Ann Drobac, 2016-02-02 When we consider the concept of sexual abuse and harassment our minds tend to jump either towards adults caught in unhealthy relationships or criminals who take advantage of children But the millions of maturing teenagers who also deal with sexual harassment can fall between the cracks When it comes to sexual relationships adolescents pose a particular problem Few teenagers possess all of the emotional and intellectual tools needed to navigate these threats including the all too real advances made by supervisors teachers and mentors In Sexual

Exploitation of Teenagers Jennifer Drobac explores the shockingly common problem of maturing adolescents who are harassed and exploited by adults in their lives Reviewing the neuroscience and psychosocial evidence of adolescent development she explains why teens are so vulnerable to adult harassers Even today in an age of increasing public awareness criminal and civil law regarding the sexual abuse of minors remains tragically inept and irregular from state to state Drobac uses six recent cases of teens suffering sexual harassment to illuminate the flaws and contradictions of this system skillfully showing how our current laws fail to protect youths and offering an array of imaginative legal reforms that could achieve increased justice for adolescent victims of sexual coercion
