NelMom said: "After less than two weeks of concentrated practice using this book, she did the SAT test for the 3rd time. Her math score shot up 150 points from her highest previous score. The improvement in her score pushed her to a level that qualifies for merit scholarships and Honors Colleges. Thus far, our 16.95 investment has translated into 4-year merit scholarship offers from 3 schools equal to a total of over 200,000 and we haven't even heard from the rest of the colleges yet. So I can honestly say that buying this book has been the single best financial investment I have ever made. The book is nothing less than BRILLIANT."
