Foreign Language: A Practical Guide with Tips and Resources Jeff Blum, 2021-09-25 Learning a language can be a daunting process. Should you self study, Take a course, Buy a software program, Hire a private tutor? What kinds of learning systems are available and which might be right for you? How about the myriad online resources available? And very importantly, where should you begin? Oh by the way, how long will all this effort take anyway? You will find the answers to these questions in this short but thorough guide to learning a foreign language. Author Jeff Blum has taught English and studied four languages: Japanese, Spanish, Portuguese and Thai, but he still struggles just as anyone must when learning a language. Jeff did extensive research on all aspects of language learning in an effort to improve his own efforts and he has carefully curated that research into this guide to help you with your efforts as well. In the book you will find:

- 1 A look at the systems and techniques advocated by various language learning experts and sites
- 2 A consideration of personal factors in learning a language: motivation, personality, goals, etc.
- 3 A discussion of the 8 language learning blocks with recommended resources for tackling each
- 4 An overview of the most popular language learning products on the market: Duolingo, Rosetta Stone, Pimsleur, etc.
- 5 A comprehensive set of resources to aid you with whatever approach to study you pursue. Whether you are young or old, beginner or advanced, studying your first foreign language or your fifth, there is something for you in this book. If you are a language teacher, this book might help you better understand what your students are up against while giving you ideas and extra resources to aid your teaching efforts.

Language Is Music Susanna Zaraysky, 2009 *Language is Music* focuses on making learning foreign languages fun, easy and affordable for anyone with a desire to communicate effectively with people around the world. By applying over 100 simple tips to things you already do, such as listening to music or surfing the Web, you can experience the joy of fluency in any language without having to study abroad or spend money on private tutors. In *Language is Music*, Susanna Zaraysky masterfully shares her listening methods so that anyone can have fun learning any language. With over 100 tips and 100 free or low cost Internet resources, you will learn how to use daily activities such as watching TV or listening to music, conversation partners and attendance at cultural events to become a masterful speaker of any tongue. Learning foreign languages is like learning to sing a song or play music, says self-made linguist Susanna Zaraysky, and author of *Language is Music*. Zaraysky has what you might call an ear for languages, having used music to successfully learn English, Russian, French, Spanish, Italian, Portuguese and Serbo-Croatian, all with excellent accents. Advance Praise for *Language is Music*: I love it! I think it will help people who want to learn and those who are curious about additional language learning. Many people want to learn a language but are frightened or disappointed by the courses they have taken. Reading *Language is Music* will encourage them to try again on their own and with friendly supporters. Dr. Elba Maldonado Colon, Professor, Department of Elementary Education, Bilingual Program, San Jose State University.
