**Beginner Leadership Training Book** Marisa Wiess,2021-08-14 The prospect of advancing to the top of one's field is what makes it possible for many people to keep plugging away at their jobs honing their skills and taking on new projects. But after a certain point career development depends on more than technical skills and a willingness to work hard. You also need a few soft skills not the least of which is the ability to take on a leadership role. [Learning Leadership](#) James M. Kouzes,Barry Z. Posner,2016-05-02 Uncover the extraordinary leader in you with straightforward exercises and advice from two of the world's foremost leadership experts. From the bestselling authors of *The Leadership Challenge* and over a dozen award winning leadership books comes a new book that examines a question of fundamental importance: How do people learn to become leaders? *Learning Leadership: The Five Fundamentals of Becoming an Exemplary Leader* is a comprehensive guide to unleashing the inner leader in us all and to building a solid foundation for a lifetime of leadership growth and mastery. The book offers a concrete framework to help individuals of all levels functions and backgrounds take charge of their own leadership development and become the best leaders they can be. Arguing that all individuals are born with the capacity to lead, bestselling authors Kouzes and Posner provide readers with a practical series of actions and specific coaching tips for harnessing that capacity and creating a context in which they can excel. Aspire to Excel: To become an exemplary leader, people must determine what they care most about and why they want to lead. Leaders with values based motivations are the most likely to excel. They also must have a clear image of the kind of leader they want to be in the future and the legacy they want to leave for others. Challenge Yourself: Challenging oneself is critical to learning leadership. Leaders must seek new experiences and test themselves. There will be inevitable setbacks and failures along the way that require curiosity, grit, courage and resilience to persist in learning and becoming the best. Engage Support: One can't lead alone and one can't learn alone. It is essential to get support and coaching on the path to achieving excellence. Whether it's family managers at work or
