**Every Real Estate Agent and Broker Needs to Know** Dexter Godfrey,2010-09-21 Discover top real estate investing tips tricks and tools used by high performance professionals including The proper way to use the MLS to find deals fast The difference between a plan and a strategy Expecting immediate results versus Reality How to do deals with no money or credit of your own How to find your first deal quickly and profitably And Much more Award winning Real Estate Broker Investor and National Trainer Dexter Godfrey shares some of his most valuable insights in this AQuickReadBook tm On many occasions Dexter was recognized as the regional real estate Rookie of the Year He received countless sales production

awards and has been ranked in the top 5% of real estate agents in America. But Dexter still didn't find the wealth he sought. After many unpredictable years of receiving his lean commission checks at the closing table and observing his real estate investor clients getting the lion's share of the deal, Dexter had a revelation. He finally saw the need to expand his own real estate portfolio by making real estate investing a major part of his business. Over the years, Dexter has had the opportunity of working with some of the greatest real estate minds in the world. In addition to actively investing in real estate and land development, Dexter is a nationally known speaker and director of training and career development for the largest privately held real estate company in America, Long Foster Realtors. With the heart of a leader and the stamina of an eagle, Dexter devotes his time to empowering agents to succeed in real estate by teaching them to build their wealth from their current financial condition. Additional information is available at his website [www.DexterGodfrey.com](http://www.DexterGodfrey.com)

**Security Analysis and Portfolio Management** Sudhindra Bhat, 2009. The text aims to build understanding of the investment environment to recognise investment opportunities and to identify and manage an investment portfolio. This book captures the developments in capital market and investment in securities and also provides a simple way to understand the complex world of investment. Wherever possible, reference to Indian companies' regulatory guidelines and professional practice has been included. This book covers the requirement for discussion to help practitioners like portfolio managers, investment advisors, equity researchers, financial advisors, professional investors, first time investors interested in managing investments in a rational manner, lay investors to reason out investment issues for themselves and thus be better prepared when making real world investment decisions. The book is structured in such a way that it can be used in both semester as well as trimester patterns of various MBA, PGDM, PGP, PG Courses of all major universities. Concepts are explained with a large number of illustrations and diagrams for clear understanding of the subject matter. Investing Tip profiles sound investing tips and considerations. They often present alternative investment options. Industry Experience highlights real world investing situations, experiences and decisions. Provides a detailed coverage of security analysis by integrating theory with professional practices. The strong point of the book is guidelines for investment decision and Investment story which have been included for class discussion, EDPs, FDPs and investment Consultation.
