## **O The Intimate History Of The Orgasm:**

**O** Jonathan Margolis,2005-09 Orgasm is one of society s most compelling shaping forces and most of us probably think that we are living in its golden age But are we The history of the orgasm is as elusive as orgasm itself can be for sex rarely makes the historical record Now acclaimed British journalist Jonathan Margolis delivers the definitive history of the human orgasm of sex for pleasure as well as conception from prehistory to Viagra Most people manage just twelve minutes of orgasmic bliss per year Some never experience it at all Yet the urge for orgasm rules much of human life across national and cultural boundaries How much have we learned about female pleasure since the 1558 discovery of the clitoris How has the drive for pleasure and the fear of it shaped various societies from Saint Francis of Assisi and the thorn bush to primitive tribes who embraced maximum pleasure for both sexes How much does the sensation of orgasm differ for different people Drawing on the biology literature anthropology psychology and technology Jonathan Margolis delivers the final word on both male and female orgasm in an enlightening history that is a pleasure to read

**O** Jonathan Margolis,2010-06 An

authoritative and witty mixture of fascinating facts and in depth analysis of the orgasm There s not much to an orgasm just an explosive burst of 156 mph nerve impulses Most people manage just twelve minutes of orgasmic bliss per year How has the drive for pleasure and the fear of it shaped various societies from St Francis of Assissi and the torn bush to primitive tribes that embraced maximum pleasure for both sexes How much have we learned about female pleasure since the 1558 discovery of the clitoris How much does the sensation of orgasm differ for different people Drawing on the orgasm s biology literature anthropology psychology and technology this is the final word on both male and female orgasm

**Organ Orgasms** Robert Ian

Rollwagen,2020-06-29 Conscious blood flow CBF is about enhancing our physical mental and spiritual wellbeing through the pleasurable and mindful exercising of your body s internal arteries and organs This is brought about by becoming attuned to your natural abilities to just be and by learning to sense your interior body and then being able to consciously direct and control the flow of your blood And one can orgasm many organs hence the book s title of Organ Orgasms Despite the catchy but true title this book is about the mystery and joy of experiencing one s existence in a unique way an aspect of being and about discovering our bodies and nourishing them so we can experience our lives in the healthiest and longest way possible an aspect of wellbeing Thus Organ Orgasms is really about being and wellbeing It will enable people no matter what stage they are at in life to see more clearly into themselves and then use the book as a guide in developing their own personal plan for living more joyously and healthily Organ Orgasms is not formulaic or like other self help books but it will help people learn how to take care of themselves better and get them re thinking about their purpose in life and ensure their wellbeing

The book is written for the lay reader and includes over 150 extremely useful illustrations Yet it has also been cleverly crafted to meet the needs of the scholarly reader by the use of endnotes and appendices which provide a stunning amount of scientific evidence for how the body brain and mind work to make CBF possible     Want Julie Peters,2019-05-02 Peters takes readers on her own personal journey from trauma to reconnecting with her body emotions and eventually her own desire and sexuality Xanet Paillet bestselling author of Living an Orgasmic Life We know increasingly how common and devastating sexual violence is for women but we don t always talk about how survivors can recover from the trauma and return to desire sexuality trust and pleasure Want is the story of how Julie Peters did just that and how you can too In the years after the assault Julie was in what she calls the fog of trauma the colorless tasteless experience of barely getting through the day No one not counsellors support groups or other survivors could give her any advice about how to find the desire that could bring her back to joy intimacy and connection She had to make it up on her own In Want Julie tells the story of getting from the devastation of trauma to living a full life in eight sometimes challenging often bumbling and occasionally delightful steps Your loved ones may not know how to support you but they can learn more about your experiences and how to walk alongside you through this book just as you can learn how to recover from the trauma you ve experienced Want offers a window into one person s experience of recovery plus the happy ending we all need to know is possible after trauma With unwavering honesty penetrating insight warmth humor and aplomb she lays out strategies for a tangible nourishing and vitally ferocious self love Jeremy Radin poet author of Dear Sal     *Shakespeare and Donne* Judith H. Anderson,Jennifer C. Vaught,2013-03 For more than fifty years the proximity of Donne s work to Shakespeare s including the range of their writings has received scant attention Centering on cross fertilization between the writings of Shakespeare and Donne the essays in this volume examine relationships that are broadly cultural theoretical and imaginative     *Be Honest--You're Not That Into Him Either* Ian Kerner,2009-10-13 Avoid the booty call blues and get the love and sex you deserve Come on Admit it He may not be that into you but were you ever really that into him He was never the one but you lowered your standards and dated him in the meantime Why For any number of reasons you were lonely you were horny you thought dating him was better than being alone all your friends are getting married you name it And before you knew it you got hung up on the jerk Go figure The world is full of sensational women but in today s market there are too few good men to go around or so it appears Now Dr Ian Kerner clinical sexologist and author of the smash hit She Comes First explores the battlefield of sex hook ups go nowhere relationships and the dismal dating treadmill simultaneously arming women with a sharper set of insights and the tools for change With humor and sincerity Kerner shows women how to break the cycle of dating defeat and use the power of sex to find love with a great guy who is into you So raise your standards and reach for the love you deserve

**Sweet Surrender** Dennis Hiebert,2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and

thereby take as biblical what is merely cultural. Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender. Few recognize much less question this confusion even when its consequences are unhealthy. In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God. Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian. Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices. This book is for Christians who are ready to rethink their assumptions about marriage. **Sex, Science and Morality in China** Joanna McMillan, 2006 Drawing on interviews with China's foremost sex experts this book provides a detailed examination of the political social and moral ramifications of gender sex and sexuality in China today.

New Books on Women and Feminism, 2005 Cancer and Sexual Health John P. Mulhall, Luca Incrocci, Irwin Goldstein, Ray Rosen, 2011-04-23 The average physician and even cancer care givers are not knowledgeable about the effects of cancer treatment on sex and reproductive life. They are even less aware of the options available for treatment of such patients. *Cancer and Sexual Health* fills a great need for a reference work devoted to the link between cancer and human sexuality. The volume is designed to give a comprehensive and state of the art review of the sexual and reproductive consequences of cancer diagnosis and treatment. It will prove an invaluable resource for those clinicians caring for cancer patients as well as acting as a reference text for the sexual medicine clinician who may not see a large number of cancer patients. **The Real Story** Sarah Statz Cords, Robert Burgin, 2006-03-30 Here is your road map to the vast and previously uncharted terrain of recreational nonfiction.
