Object Lessons From Nature:

Object Lessons from Nature Sylvia M. Mattson, 1975 *More Object Lessons from Nature* Joanne De Jonge, 1991
Object Lessons from Nature Joanne E. De Jonge, 1989 Seasonal object lessons that appeal to children's special delight in the little things of creation **Object Lessons from Nature** Louis Compton Miall, 1894 **Ants Work Best Together** Joy Gee, 2007 Ants Work Best Together is a children's sermon book. Here are some of the topics covered in this children's sermon book: Christian object lessons, Bible lessons, Children's sermons, Children's Bible object lessons, Object lessons for youth group, Youth ministry object lessons. Have you ever been on a picnic and wondered why God created ants? Insects aren't merely pests; they can also teach us spiritual lessons, and this collection will help you share that knowledge with preschool to elementary young people. After all, children of all ages love learning about the world of creepy crawlies, and these fascinating lessons about ants, butterflies, frogs, worms, crayfish, millipedes, and even grass are guaranteed to grab their interest. Sunday school teachers and children's church program leaders will be thrilled with how their classes respond to these tried and true lessons from nature. Even better, this book makes preparation much less of a headache and more of a joy with a minimal amount of pre-planning and effort; you can be ready for next week's session. But the best reward of using this book is watching children's faces as they realize that God has a definite plan for everything he created, including a perfect plan for them. Joy Gee has had many opportunities to practice these lessons in her involvement over twenty years as a children's pastor, children's evangelist, and Sunday school teacher. She is a graduate of California State University and has done extensive coursework in early childhood education at Vanguard University, American River College, and Sacramento City College. Joy says, "The Bible says that creation declares the glory of God. I just like to give it a platform from which to speak."
